**PRAYER TO THE BLESSED** Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. **SAFARI QUEST**

**AT THE FIELD OF HOPE SUNFLOWER MAZE**

Petals 4 Hope is a nonprofit organization dedicated to dismantling the stigma surrounding mental health in children and adolescents by fostering understanding, empathy, and access to resources. Founder Esther Urffer is on a mission to help children become the best version of themselves, both physically and mentally, by offering nature-based, interactive activities designed to nurture resilience, connection, and mental wellness.

Throughout spring, summer and into fall, Petals 4 Hope offers a variety of free, family-friendly nature-based activities for visitors to experience, learn and enjoy. The Field of Hope Sunflower Maze is our largest outreach initiative. A nine acre maze of sunflowers blooms each September and provides a space for all to experience the beauty of nature and connect with one another while discovering simple tools for emotional well-being.

The theme for the 2025 Field of Hope Sunflower Maze is Safari Quest. When children and families explore the sunflower maze, they'll encounter a variety of colorful safari animal displays, each designed with an impactful message. The best part? Kids will be having so much fun, they won't even realize they are on an interactive learning journey, discovering coping strategies and pathways to well-being.

In 2024, Petals 4 Hope reached over 900 participants, each experiencing the joy and connection this event brings. Esther and the entire team invite everyone to step into the vibrant sunflower maze this fall and embark on an exciting Safari Quest - where nature, imagination, and emotional growth come together. Adventure awaits at Safari Quest in the Field of Hope Sunflower Maze. Open September 20th through October 25th.

Petals 4 Hope is located at 2576 Cassel Rd. in Coopersburg and is a registered 501(c)(3) charitable organization.

# GARDEN TIPS

## The "Buzz" about Native Plants

By Carol Schrodling,  
Gardening Enthusiast and former owner  
of Northeast Native Perennials

It's hard to believe that summer is waning and we are talking about late-season blooms, but they are so important to our pollinators! So, if your garden is lacking in bloom at this time of the year, for the next four weeks we will be discussing some great ones you can add!

**Sneezeweed** (*Helenium autumnale*) is not named because it makes us sneeze, but because they used to dry and pulverize the leaves to make snuff, to make one sneeze which was believed to clear sinuses and cure headaches. It prefers full sun and moist soil, but not boggy and does not tolerate drought. The native species is a beautiful yellow daisy-like flower and grows about 3-4 ft. high. It attracts bees and butterflies and provides important late season pollen for them.

I love the Asters for late season color and great sources of pollen and nectar for our pollinators and particularly the Monarch butterflies. One of my favorites is **New England Aster** (*Symphotrichum novae-angliae*) which can reach up to 6 ft. high but can be pinched back before mid-July to control the height. (The deer usually do that for me!) This Aster prefers full sun and moist soil. Flowers are deep pink to purple with yellow centers, a wonderful splash of color in the garden and good cut as well!

Although it has been blooming for quite a while, **Three-lobed Coneflower or Brown-eyed Susan** (*Rudbeckia triloba*) will continue blooming till frost. Its seeds are loved by the American Goldfinch and as soon as any of the blooms begin to fade, they are there! Growing between 3-5 ft. high, it prefers full sun or part sun and is adaptable to most soil types. Even though it will seed freely, plants can be thinned, moved or given away. Its bright yellow flowers on a bushy plant are perfect for the back of a border, meadow or edge of the woods.

Next week: More late-season natives for your garden!

**PRAYER TO THE BLESSED** Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. The person must say this prayer 3 consecutive days. After 3 days, the request will be granted. This prayer must be published after the favor is granted. M.C.Z.

Hali is a 7-month-old, 30-pound mixed breed pup with a big personality and even bigger puppy energy! He's playful, curious, and always ready for his next adventure. Whether it's zooming around the yard or discovering new toys, Hali lives life at full speed. He's still learning the ropes and will thrive with consistent training and structure as he grows. Hali is looking for an adopter who's ready to guide him with patience and love and who doesn't mind a few goofy antics along the way. Hali likes to jump up and puppy nibble so a dog savvy family without children would help him thrive.

Hali's adoption fee is \$350 (not including tax), which means he'll be fixed, up to date on core vaccines, microchipped, kept on monthly preventions, and dewormed. If you are interested in adopting any of our animals, please complete an adoption application at lastchanceranch.org. PA Kennel License #4518.

**19th Annual National Alpaca Farm Days MEET THE ALPACAS**  
Saturday & Sunday, September 27th and 28th

We are fortunate to have two great local venues to meet and learn all about alpacas on National Alpaca Days, Saturday and Sunday, September 27th and 28th. Alpacas are raised for their fiber, which is one of the softest and warmest fibers in the world. Alpacas do not shed their thick, soft, warm, fleecy coats, instead they require shearing once a year to prevent them from overheating in warmer weather. Their fleece is woven into yarn to make sweaters, hats, mittens, socks and other soft, cozy products available for purchase at both venues on National Alpaca Days.

**KRAUSSDALE ALPACAS, 5169 Kraussdale Rd., East Greenville**  
Open 10am-4pm, free admission.  
Visitors can meet the alpacas, learn about the animals and their soft, warm fleece, see how yarn is made and other fiber demonstrations.

**HARLEY HILL FARM, 451 Kellers Rd., Quakertown**  
Open 11am-3pm, free admission  
Canned goods accepted for 4-H to donate to local food pantry  
Meet our alpacas including new babies. See everything we do with alpaca fleece.
