IZZIE NEEDS A SPECIAL SOMEONE TO ADOPT HER! MEET HER AT LOGAN'S HEROES ANIMAL RESCUE!

Izzie is a sweet 30-lb. 6-year-old Beabull (French Bulldog-Beagle mix). She was rescued from a commercial breeding kennel. Her puppy making days are officially behind her and now Izzie is looking for that special someone to help her break out of her shell. Izzie is shy with new people but once she is comfortable, she enjoys and solicits pets and attention. She has previously lived with children and does very well in her foster home with young children, following them around and showing curiosity in what they are doing. She does well on a lead outdoors but a fence would be preferred. Izzie also does extremely well with others dogs, both big and small.

Learn more about Izzie at www.lharinc.org.

PRAYER TO THE BLESSED Virgin
(never known to fail). Oh, most
beautiful Flower of Mt. Carmel, Fruitful
Vine, Splendor of Heaven, Blessed
Mother of the Son of God, Immaculate
Virgin, assist me in my necessity. Oh,
Star of the Sea, help me and show
me, herein you are my mother. Oh,
Holy Mary, Mother of God, Queen of
Heaven and Earth! I humbly beseech
you from the bottom of my heart to
succor me in this necessity. There are
none that can withstand Your power.
Oh, show me herein you are my
mother. Oh, Mary conceived without
sin, pray for us who have recourse in
Thee. (Three times.) Holy Mother I
place this cause in your hands. (Three
times.) Holy Spirit, you who solve all
problems, light all roads so that I can
attain my goal. You who gave me the
divine gift to forgive and forget all evil
against me and that in all instances, in
my life you are with me. I want in the
short prayer to thank you for all things
as you confirm once again that I never
want to be separated from You in
eternal glory. Thank You for Your
mercy towards me and mine. The
person must say this prayer 3 con-
secutive days. After 3 days, the
request will be granted. This prayer
must be published after the favor is
granted. IF

WHODUNIT
DINNER
SHOW

The Society of St. Vincent DePaul has been providing compassionate assistance to local families in need since 1833. Today, volunteers are active at the Saint Maria Goretti Parish in Hatfield and are putting on a fundraiser to help them continue to provide support to needy members of their local community. This fundraiser is bound to be “killer”! Well, it’s a murder mystery where the murder is of course pretend but the drama is REAL! “Best Laid Plans” is a 1930s style interactive Hollywood WHODUNIT DINNER PARTY, where glamour, intrigue and suspense fill the room. The show will be presented by the Murder Mystery Company, as seen on the popular TV show, Shark Tank. This could get scary and very mysterious! **This week’s prize is 2 tickets to “Best Laid Plans” including the entertainment and a buffet dinner on Saturday, October 3rd at 6pm in Hatfield.** If you are the winner and are so inclined, you can even dress in 1930s attire. Did you know that the first banana split was made in Pennsylvania on August 25, 1904? Bananas were considered an exotic fruit at the time so this was a super special treat. August 25th has been named “National Banana Split Day” to mark the special occasion so we’ve hidden 10 yummy-looking banana splits throughout our ads. Write the names of the 10 ads where the banana splits appear on the lines below. Sprinkle your way through the ads as you scoop up all the correct answers. Your correct entry will be entered into the drawing for 2 free tickets to the “Best Laid Plans” Whodunit Dinner Party (a \$120 value) on October 3rd. Careful not to get whipped up in all the ice cream and toppings as you drizzle your way through your Penny Power. Good Luck!

PRAYER TO THE HOLY SPIRIT
Holy Spirit, You who makes me see everything and who shows me the way to reach my ideals. You who give me the divine gift to forgive and forget from all that is done to me and You who are in all the instincts of my life with me. I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You, no matter how great material desires may be. I want to be with You and my loved ones in Your perpetual glory. AMEN. Thank You for Your love toward me and my loved ones. Pray this prayer three consecutive days without asking for your wish. GARDEN TIPS

The “Buzz” about Native Plants

By Carol Schroding,
Gardening Enthusiast and former owner
of Northeast Native Perennials

More Fun in the Shade!

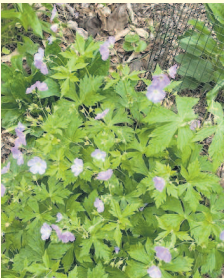

We are fortunate to live in an area of the country that has rich woodlands and all the native plants that have evolved under their canopies. If you don’t have much shade in your landscape, but have the space, consider planting some of our beautiful native trees to create some shaded areas. In the meantime, you probably have a shady side of your home or garage to work with!

Arrowwood Viburnum (*Viburnum dentatum*) is a shrub you can incorporate into your shade garden. It is a favorite of butterflies and birds for its blooms in spring and berries in fall. It thrives in medium moisture soil but can adapt to a wide range of soil types and has some drought resistance once established.

Smooth Hydrangea (*Hydrangea arborescens*) is another bright shrub that thrives in part-shade, preferring morning sun. It blooms on new wood, rounded white flower clusters in summer, and is attractive to pollinators and other beneficial insects.

Wild Geranium (*Geranium maculatum*) is a spring winner when it comes to the shade garden. It makes a great ground cover, blooms April-June with beautiful lavender/pink single flowers which provide nectar for the pollinators and the seeds are eaten by birds.

Fringed Bleeding Heart (*Dicentra eximia*) is another woodland winner that will bloom in the spring and then sporadically all season long, especially with deadheading. The beautiful blue-green fern-like foliage adds a gorgeous ground cover to any shady area.

Finally, but by no means the last in a long list of beautiful natives for shade; **Great Blue Lobelia** (*Lobelia siphilitica*) and **Cardinal Flower** (*Lobelia cardinalis*) both do well in part-shade and brighten any shady spot. The Cardinal Flower would like a moist to wet area but the Great Blue Lobelia will tolerate many different garden soils even though the descriptions will say moist. Have fun in your shade garden!

IF YOU ARE READING THIS - THANK YOU!

While Penny Power is in its 45th year, this week marked the two-year anniversary of what we affectionately call “Penny Power 2.0.” It offered an opportunity for me and the team to reflect on this incredible journey. Three things stand out.

First, thank you for reading! Since day one, we have been overwhelmed by the outpouring of community support from our loyal readers across all generations. We thank you for the contest entries, the pet adoptions, the wonderful feedback on Carol’s amazing native gardening articles, and all the warm random messages of encouragement you give us. Each week our incredibly dedicated team works to deliver the best possible issue because we all want to be proud of what you see on the racks at the 300+ great pick up locations where you find us. In an increasingly tech-obsessed, algorithm-driven world, we pride ourselves on authentic content that helps make our communities a bit more connected and a lot more human. Thank you readers! Please tell a friend...the more, the merrier.

Second, thank you to our incredibly loyal advertisers and pick-up locations. We don't exist without you. We are so grateful to the hundreds of business and community organizations that rely on Penny Power as the most trusted, effective and affordable local vehicle for connecting with new and existing customers. We deeply appreciate your support. Each time you mention to a business that you found them in Penny Power or simply thank them for advertising with us, you are contributing to the positive momentum we are building together. So please, let them know!

Third is our commitment. We see our mission as powering connection between businesses, charitable organizations, and neighbors in our local communities in a tangible way. As we enter our third year, you can be sure we are energized to continue delivering on this commitment in the many years ahead.
