## POLLINATOR CONSERVATION PROGRAM

Pollinators are essential to our environment. The economic value of these native pollinators is estimated at \$3 billion per year in the U.S.

Learn more at: [xerces.org](http://xerces.org)

Our name (which is pronounced Zer-sees) comes from the now-extinct Xerces blue butterfly (*Glaucopsyche xerces*), the first butterfly known to go extinct in North America as a result of human activities. The Xerces blue's habitat was destroyed by development in the sand dunes of San Francisco, and the species was declared extinct by the 1940s.

<sup>1</sup>Annual Percentage Yield (APY) 3.60% with an Interest Rate of 3.54% is accurate as of 5/29/26. To be eligible for the CD Relationship Rate APY, customers must own a personal QNB checking account in good standing, at the time of CD account opening. APY assumes interest remains on deposit for the entire term. Penalty fees may apply for early withdrawal. Fees may reduce earnings. \$500 minimum deposit is required to open a CD account and to obtain the APY (\$100 minimum for QNB's CDs). \$250,000 maximum deposit limit applies. At maturity, CDs are automatically renewable to a non-promotional 7-month term at the prevailing APY in effect at that time. Checking opening is subject to approval. The offer is available to consumers and excludes IRA, business, trust, and municipal accounts. Limited time offer: we reserve the right to cancel this promotion at any time without notice.

# PET OF THE WEEK

**BEBE**

**Meet Bebe!**

Meet Black Beauty... but everyone calls her Bebe. This stunning short haired beauty has sleek black fur and the most adorable white patch around one eye—like she's wearing her own signature beauty mark. Born around February 2025, she's still very much "just a little baby" and has all the charm, curiosity, and sweetness that comes with it.

Bebe's story begins in Macungie, PA, where she and her two siblings were sadly dumped on someone's property and brought in for TNR. But when it was time to release her back outside, Bebe had other plans—she rolled over onto her back inside the trap, clearly asking for pets. That one sweet moment said it all: This girl was far too loving to live the life of a stray.

Since coming into foster care, Bebe has proven herself to be one of the sweetest cats imaginable. She has never bitten, scratched, hissed, or growled—not once. She's perfect with the litter box, fully vetted with all vaccinations completed, and has tested negative for FIV/FELV.

Affectionate in her own gentle way, Bebe enjoys sitting close to her person and especially loves having her paw held (yes, really!). She may hop into your lap or allow you to hold her for a moment, but she prefers cozy companionship over constant cuddles—always nearby, always connected. She also has a lot to say! Bebe is delightfully vocal and greets you with her own unique language, especially when you first walk into the room. Once you learn it, you'll realize she's just chatting about her day and telling you how glad she is to see you!

Bebe may be a little shy at first, but she comes around quickly and bonds deeply. She would make a wonderful companion for someone looking to share their life with a loving, quirky, and incredibly special little panther.

To meet Bebe, go to straycatblues.org or call 215-631-1851. Stray Cat Blues is a 501(c)(3) non-profit that's been rescuing area cats for more than 25 years. In addition to fostering and adopting friendly cats and kittens, we Trap, Neuter and Return (TNR) feral cats.

**THUMBS DOWN**

"To those riding bicycles or motorized vehicles on busy sidewalks in any downtown area. Everyone agrees: our roads aren't very accommodating, drivers are all distracted and PA law is unhelpful, especially about electric scooters. But use common sense for all our sakes: when you ride vehicles on the sidewalk, you put your safety from drivers above pedestrians safety from you. Get the proper gear to safely ride in the road so you aren't forced to endanger others to protect yourself. Google 'PA Micromobility' for more info."

## CONGRATULATIONS TO UPPER BUCKS COUNTY TECHNICAL SCHOOL MAY 2026 STUDENT OF THE MONTH - LOUIE MENTA - ELECTRICAL TECHNOLOGY

Louie Menta, a Quakertown student in the Electrical Program at Upper Bucks County Technical School, has been named the May Student of the Month. As the youngest in his family, Louie follows in the footsteps of his older sister, Maria, who graduated from our Dental Program in 2024.

Louie decided to attend UBCTS as a ninth grader after hearing that the Electrical Program was second to none. What he enjoys most about the school is the balance between classroom instruction and hands-on learning. He appreciates the constant connection between book knowledge and practical application, believing that success in the trades requires both understanding the concepts and knowing how to use your hands to bring those concepts to life.

During his time at UBCTS, Louie has had several memorable experiences, two of which stand out the most. The first was participating in SkillsUSA as the district competitor for Electrical Wiring. Louie earned second place at districts, and when the first-place competitor was unable to attend the state competition, he stepped up with less than 48 hours' notice. Rearranging his schedule and preparing quickly, Louie traveled to Hershey for the state competition and delivered an outstanding performance, placing third.

The second experience Louie values most is beginning co-op. He believes working on the job provides lessons that cannot be learned in a classroom alone. Through co-op, he has developed strong listening skills, learned the importance of teamwork, and improved his time management. Louie currently works for the family business, Lou Menta Electrical Contractors, where he continues to gain valuable field experience.

After graduation, Louie plans to continue working alongside his father and absorb every bit of knowledge he can from him. Outside of work and school, Louie enjoys riding dirt bikes, going to the gym, and working on his 1999 Ford Ranger with his friends. His strong work ethic, dedication to his trade, and willingness to take on challenges make him highly deserving of recognition as UBCTS's May Student of the Month.

Congratulations, Louie!

The Perkasio and Quakertown Rotary Clubs are pleased to support the Outstanding Students of the Month at the Upper Bucks County Technical School. Rotarian Shelby Krans presents a Certificate of Congratulations and a monetary gift in recognition of Louie's hard work and accomplishments.

**SPECIAL CONTEST**

This week's prize will give you the opportunity to try one of Rossi's favorite specialty deals for free! For generations, local families have relied on neighborhood pizza shops to bring people together and Rossi's continues that tradition by being family-friendly and offering quality food. From fresh hand-tossed pizza and crispy wings to cheesesteaks, pasta dishes, and Italian comfort food, every order is prepared with attention to quality and consistency. **Rossi's Pizzeria and Restaurant is located at 17 Quaker's Way in Quakertown.** For this week's prize, you get to choose one of two Rossi's favorite specialty deals: either a 2 Large Plain Pizza with a 2 liter Coke OR 2 Cheesesteak Sandwiches with 2 Large Fries and a 2 liter Coke. Rossi's Pizza has been one of Quakertown's go-to places for great pizza since 1975 with new ownership since 2023. New owner, Konstantin "Gus" Korifidis, remains committed to fresh, high-end ingredients and great food. At Rossi's, you can always expect friendly service and food made right in a welcoming local restaurant experience backed by decades of tradition combined with a passion for quality food. But while you're thinking about that delicious pizza - you'll need to start your search. As school ends, we'll have more time for leisurely reading. So there are 10 "bookworms" hiding throughout our ads. Find the bookworms and write the names of the 10 companies where the bookworms are hiding. Your correct entry will be entered into a drawing for the Rossi's "SPECIAL" mentioned above. Don't skim through the ads too quickly, get engrossed so you can snag all those bookworms. Enjoy studying the ads and Good Luck.

# GARDEN TIPS

## The "Buzz" about Native Plants

By Carol Schroding,  
Gardening Enthusiast and former owner  
of Northeast Native Perennials

### Optional Additions For Your Habitat Garden

As you build and enhance your Wildlife Habitat, you will be rewarded by more wildlife making it home! This is exciting! Refrain from using pesticides and herbicides that will reverse all your hard work. If your habitat is healthy, there will be natural predators for bad bugs, and you can hand pull weeds or use natural weed killers such as horticultural vinegar for large areas.

Creating a brush or leaf pile in an out of the way corner of your property provides more shelter for small mammals, amphibians and insects. If you have dead trees that you can safely leave standing, cavity-nesting birds will appreciate it!

Bird feeders are both rewarding and challenging, but if you are up to it, you will get to enjoy seeing the great diversity of birds attracted to your backyard habitat. Bird houses designed for local species can provide additional nesting sites and shelter. Do your research on correct entrance size and height to hang the houses.

Consider hanging a bat house high on a tree, pole or wall in a sunny spot. Bats eat mosquitoes and other flying insects every night! The house gives them shelter and a place to rest and raise their young. Avoid placing it near bright lights.

Build a bee hotel. Many solitary bees use small tubes to raise their young. A bee hotel offers them a safe, dry place to rest and raise their babies. Get ideas online to build your own or purchase one already made. Hang it near flowers in a sunny spot away from wind. They are usually very docile and rarely sting, so don't "bee" afraid! They play an important role in your garden pollination.

Finally, take time to observe and enjoy the wonderful habitat you have created. After all, it's for you as well as your fellow creatures!

Next time: Feature keystone plants for your garden!

## Love Kittens, But Can't Adopt?

**STRAY CAT BLUES Foster Care Program** may be a great volunteer opportunity for you. Cat & kitten rescuers tend to be very busy, especially this time of year. You can help by being a foster home -- either for tiny abandoned kittens who need bottle-feeding or older kittens who just need snuggles and playtime. All you need is a kind heart and a desire to help cats and kittens who would otherwise be homeless if not for you. Visit [straycatblues.org/foster-application](http://straycatblues.org/foster-application) or call 215-631-1851 to learn about the Stray Cat Blues Foster Care Program.

**PERKASIE ROTARY "RUCKS" FOR VETERANS**

The 7th Annual Ruck 4 Bucks, hosted by the Perkasie Rotary, once again brought the community together in support of local veterans through Vets for Vets. The event centers around a 24-hour ruck challenge completed by Perkasie Rotary President Steven Dale, who walked an incredible 90 miles while carrying a weighted pack.

The fundraiser concluded with a community celebration at the Sellersville Moose Lodge featuring food, live music, raffles, beverages, cornhole, and more. Thanks to the support of sponsors, volunteers, and attendees, this year's event raised \$20,000 for Vets for Vets, helping local veterans with home repairs, maintenance, and everyday needs.
