VIRTUAL SUPPORT GROUP
Alternatives to Suicide Support Group (NAMI) - Every 1st and 3rd Wednesday at 6:30pm. Support group provides a safe space in which two peers facilitate conversations about the human experience of choosing to stay in this world despite feelings of wanting to die. The groups will focus on connection (relationships building) and exploration (putting our suicidal thoughts in context and discerning our unique paths forward). Participants reclaim the notion of being able to name difficult themes/emotions, hold them in communal settings and build meaningful connections by sharing individual stories rather than by identifying a common diagnostic code in our medical charts. Register at revivalsoc.com/events.

A Christmas Blessing

Shop With A Cop is a heartwarming community initiative which provides families experiencing a hardship, a holiday experience they otherwise would not have. The program is for children ages 5-13 years old. Each child is paired with an officer who accompanies them on a shopping trip to purchase gifts for themselves and their family members. Beyond the tangible gifts, the program fosters positive relationships between officers and youth while affording them a brighter holiday season.

The program is sponsored by the Quakertown Borough Police Department in partnership with surrounding Law Enforcement Agencies. All participating police officers volunteer their own time to participate in the event.

Shop With A Cop is funded solely through the generous donations from our community, private sponsors and local businesses. If you would like to learn more about the program or are interested in supporting Shop With A Cop, please contact the Quakertown Police Department at policeadmin@quakertown.org.

Youth introduced to gambling by age 12 are **4x more likely to develop a gambling problem.**

It's important to make time to talk with kids about gambling.

-  Explain that gambling results in losses more often than wins. Spending money on things they want is better than losing it all on a bet.
-  Explain that underage gambling is illegal.
-  Talk to them about the consequences of problem gambling, including being sad, having no money to spend, lower grades, and damaged friendships.
-  Encourage healthy spending. Talk about how they plan to spend money they have from their after-school or summer job, as well as allowance.
-  Ask questions about their experiences with gambling - and listen to their answers.

[**Help Manage Time with Gaming Activities**]

-  **Check wireless router features.** See if your router can disable itself during certain times. It can help limit late night gaming sessions.
-  **Set limits.** Only give yourself a set amount of video game time per day. Have a parent or friend help keep you accountable.
-  **Explore new interests.** Play sports, learn an instrument, read a book. Explore new hobbies can really help keep your mind off gaming.
-  **Take a pause.** Games can lose their urgency when you just step away for a while. Set a few days aside every week to not play.
-  **Unplug with board games**
Go analog with friends! Board game nights are a great alternative to online gaming.
