HELLERTOWN HISTORICAL SOCIETY TALKS IN THE TAVERN SERIES: THE COLONIAL BEGINNINGS OF AMERICAN CURRENCY: Thursday, October 15th at 7pm. As America's 250th anniversary celebrating the separation from Britain continues, Quakertown resident, John Ambrose, discusses a very practical obstacle along the path to our country's independence: how to finance the Revolutionary War and conduct commerce in the absence of a banking system. The evolution of money, especially early colonial paper currency, tells a fascinating story about the birth of our democracy. Every colonial note was hand-signed in ink, often by leaders in society who also were leading the struggle for freedom. Meet some of these patriots who risked it all in the colonies' fight for freedom. Learn their stories by examining actual colonial notes that bear their names, and explore how currency and colonial coinage was used. There is no charge for this program. The public is welcome to attend. Seating is limited to 45 persons. Doors open at 6:30pm.

A SCHEME OF A LOTTERY: Thursday, October 15th at 7pm. THUMBS DOWN

To the person in
the light colored SUV
driving south bound on
Chestnut Hill Road in Center Valley
on September 17th
around 8:15 pm.
I was driving looking for
my dog that had slipped away
from me.
I saw her running
down the bank toward me.
I tried everything
to get you to stop or slow down.
I was flashing my lights
and blowing my horn.
You sped up, hit her and continued
on your way.
The speed limit is only 30mph.
I know accidents happen,
but not having the decency
to stop and see
who or what you hit
is beyond me.
She did pass away that night
even after I rushed
her to the emergency vet.
I just hope you
pay attention to the road,
drive with a clear head
and hopefully a valid driver's license.
I pray you learned something
and you never cause
anyone else the grief you caused me.
I lost my best friend
that night

HELLERTOWN HISTORICAL SOCIETY TALKS IN THE TAVERN SERIES: THE COLONIAL BEGINNINGS OF AMERICAN CURRENCY: Thursday, October 15 at 7pm. As America's 250th anniversary celebrating the separation from Britain continues, Quakertown resident, John Ambrose, discusses a very practical obstacle along the path to our country's independence; how to finance the Revolutionary War and conduct commerce in the absence of a banking system. The evolution of money, especially early colonial paper currency, tells a fascinating story about the birth of our democracy. Every colonial note was hand-signed in ink, often by leaders in society who also were leading the struggle for freedom. Meet some of these patriots who risked it all in the colonies' fight for freedom. Learn their stories by examining actual colonial notes that bear their names, and explore how currency and colonial coinage was used. There is no charge for this program. The public is welcome to attend. Seating is limited to 45 persons. Doors open @ 6:30PM.

PRAYER TO THE BLESSED Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. Crayola Experience Easton Halloween Contest!

Get ready for some spooky family fun! Crayola Experience Easton has their Screamin' Green Hauntoween through November 1st. This week's prize winner will receive some super spooky treats in a witch's cauldron as well as four free passes to Crayola Experience Easton (which can be used for Hauntoween or anytime before May 2027). There's so much to "BOO" during Screamin' Green Hauntoween including a themed scavenger hunt, Halloween crafts, photo-ops, trick-or-treat stations on the weekends and more. Crayola Experience, 30 Centre Square, Easton is where the magic of Crayola comes to life. With 65,000 square feet of attractions, Crayola Experience is Pennsylvania's most colorful family destination for interactive, creative play. Families typically spend 3-4 hours exploring 20+ hands-on attractions. Go on a wonderful, whimsical adventure with Crayola's unique experiences, such as starring in your very own coloring page, naming and wrapping your very own Crayola crayon, learning how crayons are made in a live manufacturing show and so much more! We've hidden the spookiest spider we could find. Don't be frightened by his witchy hat and giant teeth. Wander your way through your Penny Power and write the names of the companies where the 10 spiders are lurking on the lines below. Your correct entry will be entered into the drawing for the Witch's Cauldron with Halloween treats and four free passes to Crayola Experience Easton. Haunt those spiders down and perhaps your entry form will be bewitched and magically turn into this week's winning entry. (*Please plan to pick up your prize at our office in Coopersburg if you are this week's winner, since this spooky cauldron cannot be mailed.) Good Luck.

1. _____ 6. _____
2. _____ 7. _____
3. _____ 8. _____

This is the spooky spider you must find, but this one does not count

Winning entries must be received by noon on **Friday, October 23rd, 2026.**

READS FOR TEENS

Column 2: *The Sherlock Society* by James Ponti

Publisher: Aladdin, an imprint of Simon & Schuster

What would you do if you couldn't find a summer job? Start a detective agency, of course! Well… at least that's what Alex and Zoe Sherlock decide to do in this month's book, *The Sherlock Society* by James Ponti, a Barnes & Noble Children's Pick of the Month and the first book in the *Sherlock Society* series.

Alex and Zoe, along with their best friends Lina and Yadi, are trying to find the perfect summer job. But with the last name Sherlock, they think starting a detective agency would be a great idea.

The siblings' grandpa is a retired investigative reporter for *The Miami Herald*, so he has a storage unit filled with cold cases and other materials from his journalism career. They decide to use the storage unit as their own detective agency office. After looking through his old files, they begin investigating the possibility of Al Capone's buried treasure, with their grandpa helping them along the way (and being their Uber since they're too young to drive!).

Will they solve the case? You'll have to read *The Sherlock Society* to find out!

I thought this book was really good, and I would give it 5 stars! If you like mysteries, I definitely think you should check it out. Just be warned: there is a cliffhanger at the end, so don't expect every question to be answered!

Thank you so much for taking the time to read my column. It really means a lot to me, especially because I'm just getting started with *Reads for Teens*. I'm having so much fun getting to share books I enjoy with you, and I hope you're enjoying reading along with me!

If there's a book you think I should review, or if you have a question or suggestion about the column, I'd love to hear from you. You can email me anytime at **community@pennypowerads.com.**

Stay tuned for next month for my review of the next book!

Keep on reading,
Wyatt

PET OF THE WEEK

BETTY

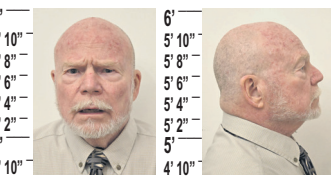

Meet Betty!

This sweet girl loves her people and is happiest when she can be close by. She's very handler-focused and loves getting attention, especially when it comes in the form of scratches and sweet little nuzzles. Betty would do best in a quiet home where she can relax, spend time with her person, and hopefully claim a comfy spot on the couch. She's ready to find someone who will appreciate her loving, affectionate nature and let her be their loyal companion.

Betty's adoption fee is $200 (not including tax), which means she is spayed, up to date on core vaccines, microchipped, kept on monthly preventions, and dewormed. If you are interested in adopting any of our animals, please fill out an application on our website: lastchanceranch.org.

GARDEN TIPS

The "Buzz" about Native Plants

By Carol Schroding,
Gardening Enthusiast and former owner of Northeast Native Perennials

Fall-Blooming Native Grasses For Your Garden

Several years ago, I discovered the joy and beauty of native grasses in the garden and especially when they are blooming! They add such interesting form, texture and grace to the landscape, are very low-maintenance, and the deer don't eat them! The native grasses we are most familiar with are warm-season grasses, having their most active growth during the summer when soil and air temperatures are warm. Most of the warm-season grasses are very efficient with water, nutrients and sunlight, and many thrive in tough, dry conditions. They emerge in the late spring and most begin to bloom in mid to late summer into fall and some have intense fall color. Following are three of the "big four" tallgrass prairie grasses in North America.

One of my very favorites is **Little Bluestem** (*Schizachyrium scoparium*) for its bluish foliage that turns beautiful sunset colors in the fall! It only grows 2-4 ft., prefers full sun, well-drained soil and is very drought tolerant. The seed heads are silvery and very valuable to wildlife. It also serves as a larval host to several Skipper species. There are a number of cultivars on the market; I like 'Standing Ovation' for its very upright habit. Because of their clumping habit they mix beautifully with other perennials and add color and interest to the fall garden!

Switchgrass species (*Panicum virgatum*) is probably the most notable and ecologically significant North American prairie grass. It grows 3-5 ft. tall, with a distinctive upright growing habit. In mid-summer it blooms with cloud-like panicles that dance in the slightest breeze. In fall, the leaves turn to shades of gold, orange and red, adding to the beautiful fall palette. There are many cultivars, one of my favorites is 'Shenandoah.' It grows 3-4 ft. and as the season progresses, turns shades of burgundy and wine-red.

Another important prairie tallgrass is **Indian Grass** (*Sorghastrum nutans*) known for its dense golden-bronze seed panicles, sometimes 12 inches long. It grows 3-7 ft. high including bloom, and like the other prairie grasses prefer full sun and well-drained soil, although it will adapt to many soil types. It is drought tolerant once established. Leave seedheads through the winter for wildlife and cut back to about 6 inches in late winter.

Next week: More lovely native grasses for your garden!
