HEY BESTIES, WELCOME TO SHIRT PARADISE

While I would much rather say tropical paradise so we could clink some Mai Tais and not get off our beach loungers all day – this is a different kind of paradise.

The type where everything is organised, where everything falls seamlessly into place, where there are **SMILING KIDS** wearing the most **FABULOUS SHIRTS** with proud parents watching on, and **YOU** crushing this **whole project without even breaking a sweat.**

**But see that's not a dream paradise.
That's our SGI standard.**

Whether it's Mother's Day, Father's Day or Year 6 Leaver Shirts, the words getting out: We make things **SIMPLE** **STRESS-FREE** **+ ACTUALLY ENJOYABLE** Our 200+ 5 Star Google reviews speak for themselves.

That's why schools are jumping on board so fast we are doubling our shirt numbers every year (literally struggling to keep up).

 **Luckily, we saved you a spot.**
