Senior Pastor

Welcome to our beautiful Church!

I'm Dave Ryder, serving as Senior Pastor since 2012, alongside my wife Andrea and our two children, Kayla and Jackson.

Our hope is that the New Spring family actively lives out their faith and participates in our Church through service, prayer, financial giving, and engaging in healthy community life.

We believe that the life proclaimed by Jesus' Gospel, is accessible to us today, despite the wrestles we have with our humanity and the complexities of our world. As a Church, we not only acknowledge this ongoing wrestle but are deeply committed to providing support for everyone, recognizing that each person is at a different stage in the journey of life, facing unique challenges. This commitment propels us to actively engage in profound reflections on the teachings of Jesus and to embrace a culture of continual learning.

Take a look around our Church; you'll see imperfections, but you'll also find sincerity and beauty. We're genuinely chasing after Jesus, eager to see the Kingdom breaking forth in our corner of the world.

About Us

Our Vision is simple: Faithfulness

We aspire to enlarge our imaginations so that we can faithfully image our beautiful God in our world.

Our Story

New Spring Church began on January 1, 2017, from Kelmscott Church of Christ.

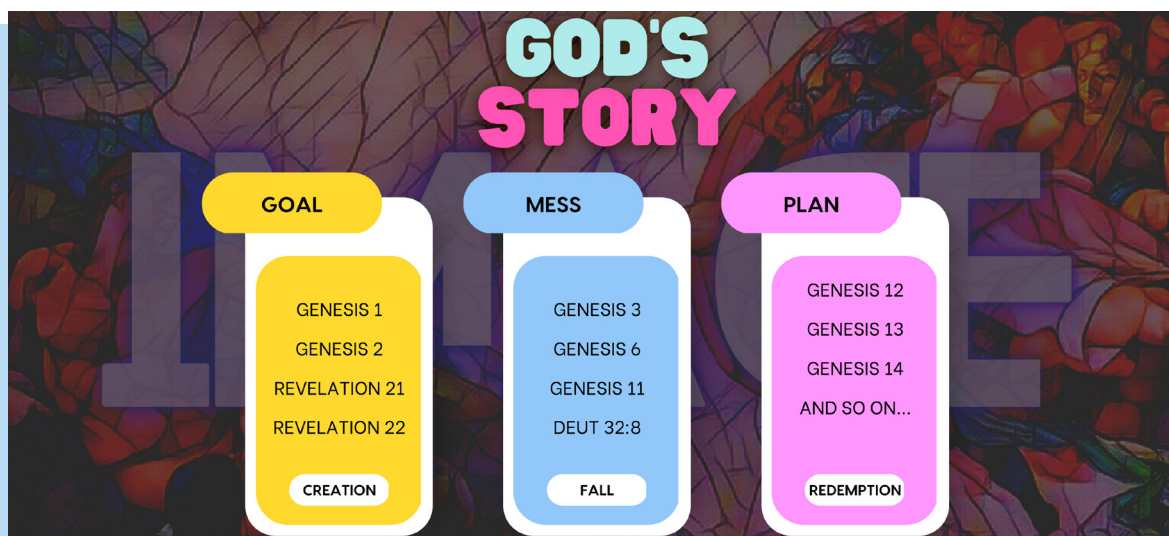

Situated on the border of Armadale and Gosnells, W.A., our Church is renowned for our active involvement in the local community. We extend our reach to address physical, emotional, social, and spiritual needs—a fundamental value that defines us.

At our core we are a learning church, committed to understanding and reimagining the teachings of Jesus. We aspire to translate the essence of Jesus' Gospel into meaningful actions, making a positive impact in our world and fostering a vibrant community spirit.

What We Believe

We believe God has uniquely revealed Himself to humanity, having intended to establish His reign of good order for flourishing on Earth through humanity (Gen 1). The Bible recounts disruptions caused by rebellion on Earth (Gen 3) and in the heavenly realms (Gen 6), prompting a plan of rescue through Israel, culminating in the coming of Jesus.

By aligning with Jesus and His Kingdom agenda, individuals are made right, enabling them to partner with God in setting the world right, being restored to our original vocation as image-bearers in this world.

Levels of Connection

At New Spring Church there are different levels of connection. These include Membership, Partnership and those who are Attenders.

Attender

At New Spring, we cherish the belief that every follower of Jesus should actively participate and contribute within their local church. We understand that, for various reasons, people are often searching for a church to call home. We warmly invite those curious about New Spring Church to attend our services, ask questions, and discern whether this community will become their home church.

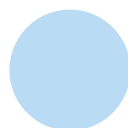

Here at New Spring, individuals who have found their place within our community become 'Partners'—they are an integral part of our family. We encourage you to explore, connect, and discover the unique journey that awaits you at New Spring Church.

Partnership

Partners are people who have seriously considered making New Spring Church home. They are 'part of the family', understanding and carrying out the responsibilities that enable New Spring to be a safe place for people to flourish. In particular they engage in -

- Prayer: We invite our Partners to uphold our Church and the region in prayer regularly.
- Regular Attendance: The New Spring family is dedicated to consistent attendance at church services and events.
- Service: The New Spring family is wholeheartedly committed to serving God and each other through active involvement in the Church.
- Financial Giving: As a part of the New Spring family, we all share the responsibility of advancing the vision God has given us through purposeful financial contributions.

Membership

As outlined in [New Spring Churches Constitution](#), our membership includes people who serve in three categories - Elders, Board of Governance and Partner Representatives. This invitation to be Members of our Church is usually extended to their spouse.

Our unique approach includes Partner Representatives—individuals acknowledged for leading or influencing significant segments of our congregation. We entrust them to embody and represent the values, direction, and vision of New Spring to the broader church community.

Meet our Staff

Our Leadership

At New Spring, we recognise that building a great church requires an exceptional team. We are truly blessed to have a fantastic group of leaders and volunteers who generously serve. Our organisational structure is supported by key leadership groups that play a crucial role in steering our collective journey.

Staff

Our dedicated staff manages the day-to-day operations of the Church, providing essential leadership to guide and oversee our community.

Board of Eldership

Our Elders hold spiritual authority, ensuring holistic health, and providing pastoral guidance. They play a pivotal role in supporting the Senior Pastor and staff.

Board of Governance

Our Board of Governance plays a crucial role in ensuring the Church operates effectively and remains compliant with regulations.

Leadership Team

Our leadership team is dedicated to fostering our long-term vision and actively participating in our cultural dialogue. They passionately explore ways for our church to address social issues faithfully, aligning our actions with the teachings of Jesus.

Board of Governance

What is Governance?

Corporate Governance at New Spring entails the effective exercise of authority which encompasses the Board's activities and its interactions with the staff responsible for leading and managing the Church and members, as well as external auditors, regulators, and other legitimate stakeholders.

The primary responsibilities of our Board, from which all others derive, include:

- Fiscal Responsibility: Managing the financial affairs of the church, including budgeting, financial planning, and ensuring sound financial practices.
- Fiduciary Responsibility: Acting in the best interest of the Church, safeguarding its assets, and ensuring transparency, accountability, and compliance with legal and ethical standards.

How do the responsibilities of our Board differ from those of our Staff

Governance differs from management, which is the responsibility of our staff. While our staff oversees the day-to-day operations of New Spring Church, the governing body (Board of Governance) ensures it is headed in the right direction and being managed effectively.

The role of the unitary board – performance and conformance

A unitary board, that is one with executive and outside directors, is responsible for both the overall performance of the enterprise and its conformance with strategies, policies and codes. In a two tier board these roles are separated.

Avoid getting lost in the crowd. Every individual possesses an inherent desire to belong and be known, and we encourage everyone to actively pursue this in their lives. At New Spring, we are eager to assist you in various ways, whether through prayer support, fostering genuine community, or offering guidance during pastoral needs.

Throughout your journey with New Spring, you'll likely engage with leaders and fellow members who can provide assistance and direction; however, here is some additional information that may prove helpful.

Prayer

At New Spring Church, we gather for a weekly prayer session every Sunday before the service, starting at 7:30 am. Additionally, we hold a dedicated one-hour prayer meeting every Monday at 7 pm. Our team is always available to offer prayers for individuals after our services, extending support and connection beyond our regular gatherings.

Small Groups

New Spring offers a variety of medium to small-sized groups that meet throughout the year, providing an excellent starting point for building relationships; however we've found that serving together is the most effective way to truly get to know one another. If you're interested in learning more about our small groups, please fill out a Connection form in our Foyer, or reach out to us via email at hello@newspring.org.au. We look forward to connecting with you and helping you find the right community within New Spring.

Tithing is a core principle we embrace, as it not only supports the practical needs of our ministry but also reflects a shared commitment to the well-being of our community, the broader mission we undertake and our faith in God.

We encourage everyone to join us in this spirit of generosity, knowing that together we can make a lasting difference in the lives of those we serve.
