Can't attend the sale in person? – Bid online . . .

We are excited about being able to broadcast the sale via high-speed internet. Pre-registered bidders from around the world will be able to watch from home, follow the action live, and buy online. If you have dial-up internet, you will be able to watch the sale on your computer, but because of the slower connection, the delay does not allow time to keep up with the bidding. Prospective buyers need to **pre-register before September 6th at www.dvauction.com**. There will be a 3% fee added to the buyer's premium to the purchase of each horse bought online or by phone. Successful bids are required to be wired to our bank on Monday morning following the auction.

PITZER RANCH SALE GUIDELINES

Please read and familiarize yourself with these 2 pages

Pitzer Ranch, its associates and the auctioneers' function is to bring the buyer and seller together.

All responsibilities and guarantees lie between the buyer and seller.

All buyers must pre-register in the sale office.

Bank name, Address and Drivers License will be required to obtain a Buyer's Number.

EXAMINE HORSES PRIOR TO PURCHASING

(be sure to attend the previews, look your choices over, and ask any questions you may have)

1. Persons planning to purchase horses in this sale for the first time should present letters of credit from their banks if personal checks are used in payment. Anyone with account problems with Pitzer Ranch in the past will be required to pay for their horses with cash.
2. There is no implied warranty made by auctioneer or sale company as to the merchantability or fitness for a particular purpose of any animal in the sale.
3. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, sole authority to settle the dispute as he sees fit is reserved by the auctioneer and the decisions shall be final. Seller reserves the right to waive the sale of his horse before it leaves the ring. The auctioneer reserves the right to reject any or all bids.
4. The Sales Management is not responsible for the integrity of any specific bid and the seller understands and assumes all responsibility for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the Sales Management responsible and agrees not to sue the Sales Management therefore.
5. All horses are offered for sale according to the laws of the State of Nebraska and the right to bid is reserved for all sellers at the sale unless otherwise announced.
6. Effort has been made to insure correctness of this catalog and, in most cases, information quoted concerning the horses is taken from the official AQHA records. However, employees and auctioneers will not assume responsibility for errors or omissions, but appreciate having them called to their attention. Announcements in the ring take precedence over printed information. Pay close attention to the announcements.
7. The seller is the responsible party for all representations or warranties, expressed or implied concerning the condition of any horse and buyers should satisfy themselves concerning the condition of any horse they purchase. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Pitzer Ranch Sales to include but not limited to the following: 1. Title of the animal, free from all adverse claims to ownership, use or possession. 2. The animal is sound of eyes and wind. 3. The animal is not a cribber or wind sucker. 4. The animal does not or has not been nerved, or have a hard bone condition causing lameness that makes the horse lame during the two weeks before the checks go out to the consignors. 5. The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at the time of sale. 6. Any animal which, at the time of sale is described as a stud or colt and does not at such time have two testes descended to the scrotum must be announced. Warranty with respect to descended testes does not apply to any horse sold prior to Jan. 1 of his yearling year. 7. The horse does not possess the defect commonly known as parrot mouth. If any conditions are announced, the consignor is held harmless for the condition.
8. All guarantees are made by the owner. Make sure to call ahead with questions, take advantage of the previews and pre-inspect horses prior to purchasing as title passes as horse leaves the ring. Right of recourse must be directly to the owner of the horse.
9. All horses have been Coggins tested and found negative within six months of the sale date unless announced differently. Coggins papers given to buyers after horses are paid for.
10. In the event a dispute should arise as to a particular defect which should have been, but was not announced as described above, the buyer has the right to have a veterinarian examine the horse he has purchased to determine if the horse suffers from the defect. This examination is to be made and Pitzer Ranch is to be notified before the checks are mailed. If the purchaser's veterinarian determines the horse to have alleged defect, the Sales Management, as agent, shall appoint a veterinarian of its choice to determine if the horse has the defect(s) and if the defect was present at the time of sale. His or her decision will be final. If Pitzer's veterinarian determines that the defect was present at the time of the sale and it was not announced, the sale of said horse shall be null and void and the consignor must pay entry fee and commission. If the horse is determined by the Sales Management veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable and purchaser assumes all costs of examination, treatment, and sale purchase price. In settling disputes, the decision by Pitzer Ranch is final.
11. If the buyer rightfully rejects the animal in the manner stated in #10, the animal will be returned by the buyer to the consignor and the full purchase price of the animal will be refunded.
12. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as is and without return privileges, unless otherwise specified.
13. Sale of a horse is completed by the auctioneer and title passes when the clerk enters buyer # and \$ Sold Amount on the Acknowledgment of Purchase contract. Title passes when this is completed. When a buyer settles in the sales office to clear paperwork and receive loadout slips, make sure the name, address, phone and AQHA information is filled out exactly as registration papers are to be transferred or office cannot be responsible for errors that may occur in transfer of ownership.
14. Title to and risk of loss passes to the buyer when the animal is knocked off as sold by the auctioneer. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer and sale attendees further agree to hold the consignor and Pitzer Ranch harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by themselves, their agents or employees, or by the animal, subsequent to the time of purchase. **No horse will leave until final settlement has been made.**

15. Buyers and spectators are cautioned to be careful while on the grounds, particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. According to the laws of the State of Nebraska, neither the owners nor any other person connected with this sale assume any liability, legal or otherwise, for accidents to persons or property, before, during, or after the sale.
16. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose their receipts. Buyers must make arrangements for care of stock until it can be removed. Buyer will need to use the "pink slip" to be released to load. Do not remove hip numbers from horses once they are applied. Buyer releases will be checked against hip numbers and no horse will be released without a legible hip number.
17. Driver's license will be required to obtain a buyer's number. Payment terms for this sale are cash. Payment in full must be made to the cashier immediately after the sale. All payments shall be U.S. Currency. Method of payment shall be Cash, Cashier's Check, Traveler's Checks, or approved bank check which has been verified and approved in advance by cashier and/or officers of Pitzer Ranch. All payments must be made to Pitzer Ranch. Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery of the animal.
 No Re-Deposits: Anyone issuing us an insufficient fund check for a horse will run the risk of having their name printed in our mailing of 10,000 catalogs and flyers. The size of a NSF horse payment check classifies as a felony and it will be turned over to the District Attorney for immediate prosecution. All past buyers who have passed a "returned check" to the Pitzer Ranch will be required to pre-pay for their purchases or pay in cash.
18. All registration papers will be withheld until funds clear the bank. 14 days from the date of the sale the registration papers, along with transfer certificates, will be mailed directly to AQHA for transfer of ownership to the new buyer. Checks for payment will be mailed to the sellers on that same date. Disputes and returns between buyer and seller need to be completed by that date.
19. Buyers will pay the AQHA \$40.00 transfer fee. All buyers will be charged the current rate of sales tax on any purchase, unless a tax number is given and the proper form is filled out at the office. You will be asked for your current AQHA membership number. Persons not having a current membership can either purchase one directly from AQHA or buy one at the time of payment for purchases.
20. Any horse not consigned to the sale and found on the grounds will be assessed a \$200 fee and will go through the auction at the end of the sale. A release for this horse will not be issued until these terms are met. No horse will be let out the gate without a hip number and release issued through the office.

CONSIGNORS, BUYERS AND SPECTATORS PLEASE PARK VEHICLES AND TRAILERS IN THE PASTURE ACROSS THE ROAD FROM SALE FACILITY. THE SPACE IN FRONT OF THE BARN NEEDS TO BE CLEAR FOR THE CONSTANT TRAFFIC LOADING & UNLOADING OF SALE HORSES.

TWO EYED JACK

**The Leading Sire of AQHA Champions
In the entire Quarter Horse Industry**

TWO EYED JACK is the leading sire of the Quarter Horse breed. Of the 1416 foals sired by "Jack," nearly 40% were shown. One in every 3.7 earned points. He is the #1 Leading Sire of 119 Open AQHA Champions and his record will probably never be broken. The second leading sire was POCO PINE with 37.

TWO EYED JACKS have proven themselves as the most versatile line in the breed. His get have earned over 37,000 AQHA Points. They were earned 52% in performance and 48% in halter classes. Disposition was one of the major factors in the success of his get. It was such that they would do anything that the rider was capable of. From the novice to the pro, everyone can get along with a "Jack."

Even in his old age, TWO EYED JACK was still good on his legs. It's this type of soundness and disposition that established the foundation of the Quarter Horse breed and made TWO EYED JACK, his get, and their owners #1 on AQHA lists.

 years of developing one of
the hottest brands going

Welcome to the Pitzer Ranch 2023 Fall Sale!

We are proud to bring you the 78th Year of Pitzer Ranch horses! The 2023 HP branded weanling colts are a testament to what this program has accomplished over the last seven decades. They have some of the best bloodlines, structure and shape that you will find anywhere in the country. We pride ourselves on offering a diverse but consistent set of horses that will fit many different disciplines and levels of riders.

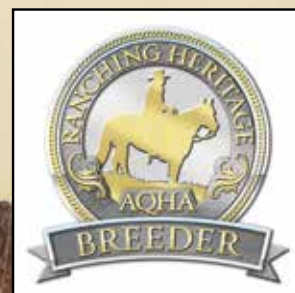

Good horses are in still in high demand and our HP Ranch Horse Invitational is set to pay out over **\$100,000!** We have more sires paid up this year, more entries than any other and we plan on that number growing next year. Bring your friends and join us Wednesday, Sept. 6th for a day filled with top notch equine athletes and riders! The HPI is ALWAYS a fun day of competition and it takes a good horse to get it done and win it all!

The Horse Industry is still on the uptrend with breeders expanding their herds and looking for their next great stallion or mare. Registrations and entries are up, and the amount of money available in new incentives and futurities is now more than ever. All levels of riders can compete for real money, and those riders need good horses. The Riata Buckle is set to pay out over \$2.5 Million this year and the new Top Gun Stallion Incentive will add tens of thousands to the ARHFA events. The youth entries in the Western Horse Industry events are up and the future looks bright! Now is the time to get yourself a horse that is eligible for all those incentives! We have several available in this sale! From weanlings to finished rope horses. The roping, rodeo and barrel events are expanding and people are ready to compete for their piece of the pie!

We are excited to have our newest Stallion **METALLIC CASANOVA** available for breeding in the coming 2024 season! He has had a very successful 2023 show season. Earning over \$90,000 in just 3 shows. He will be a great asset to the Pitzer Ranch breeding program and yours! Look for breeding info to be announced early 2024!

Thank you for your interest and for trusting the Pitzer Ranch since 1945! We are the SOURCE for your next WINNER!

Want to get noticed? "Vanilla Ice" is the coolest looking horse I've ever owned! His hind stockings trail clear up to his flanks, white dots in his throat... classy classy! We've owned him through all his training and have ranched on him steady for multiple seasons not just one branding. Vanilla is a money earner on both ends and we've hauled him to a lot of jackpots and even cuttings as that quiet, cowy, turn back gelding. This dude is a great switch ender. He's low necked, balanced, and uses himself correctly where ever you put him. Could easily polish into a show horse. Very broke! Gentle, ranch, trail, head, heel, versatility. Check his videos.

PATRIOT PAYCHEX #5864642

We've lost sleep at night trying to decide whether to sell Patriot or not. He's been our go to horse for any job on the ranch that anyone can trust. Our five year old boy has learned to ride on this horse, my wife makes sure he's the one she rides with our one year old boy, and I heel and doctor cattle on him. He's spent many long days moving cattle and nothing shakes him up. I heeled on him at the inaugural Riata Buckle at the Lazy E last year and legged our third steer to miss making the short round. He's paid into and eligible for the Riata Buckle again this year. All the work is done on this one and your family will love him.

He's been our special one since the day he was born...and we probably should be keeping him. His dam was our personal ranch mare for years. Her laid back disposition and ease of use were our favorite things about her. This colt will make a stud. He checks ALL the boxes and will have the arena presence everyone talks about. Don't wait...cuz there's not another one like him on the whole sale.

Bella is a beautiful black 8 yr old mare, home raised and a prized possession. She has the kind of build everyone looks for in a mare with good hard feet, lots of bone, and looks to kill. Bella has done everything from overnight trail rides to gathering pairs off the pasture. Navigates over rough terrain with ease and always sure footed. Bella always goes where you point her with zero hesitation. She is a finished head horse, has been hauled to all the ropings and has seen the sights. She has plenty of run to get you to your spot and handles cattle strong from the horn, all while staying cool and collective in the box. "Corona" is a BadAss little horse! (14.3H) The only buck in him is his color, but he's an athletic live-wire equine athlete. He's most useful in the heeling and/or doing a full day's job that others would need 2-3 mounts for. He's willing and very capable....when he trusts you. If this sounds like your horse, come see us! Corona will be contending for the HPI title.

He is gentle, well-bred and a proven performer. He is well started in the roping and is making a good heel horse. He has had limited showing in the NRCHA and Ranch Horse versatility shows. He has handled cattle outside, and has drug calves to the fire and doctored cattle in the pasture. He is ready to show in the versatility. He is gentle for anyone. His mother has produced over \$70,000 of NRCHA earnings with several still showing.

This is a really gentle and pretty 4 year old mare that my father raised. She is extremely well bred on both sides of the pedigree and as a broodmare, has the potential to throw some color. She rides nicely and is very soft and responsive. I have hauled her around day-working on her gathering cattle out of the canyons and cedar trees.

Duke is an exceptional 5 year old stud with athleticism, brains and manners. Safe, sound, sane and gentle for anyone to be around or ride. He is a finished head, heel and ranch horse. He will go down the trails and cross anything you point him towards. He is HPI and Riata Buckle eligible. He has \$15K in Riata Buckle earnings for 2022, his first show season. He has been roped on from the Open ropings down to the #8's, does not get hot in the box, scores good, leaves flat and runs hard. Duke has impeccable manners and is loved by everyone who is around him. He can be ridden and tied anywhere at a roping and you would never know he was a stud. 100% sound in every way and ready to help you build your program.

This is a gentle, kind, well broke, 5 year old mare. I have used her for ranch work and brandings and she is really nice to ride outside. I have been hauling her in the calf roping to jackpots, AQHA shows, and a few amateur rodeos. She is well balanced and big boned. With her good, old bloodlines, I think she would cross well on HPI/RIATA BUCKLE stallions. My ten year old daughter rides this mare quite a bit around our place and showed her at the Custer County Fair.

Nona is a "been there done that" type who's been used all over the ranch and the arena. She stands 16hh and has the gentleness and demeanor to suit the whole family. She's earned her living with early mornings in the branding pen, long days in the feedyard, and hot evenings in the roping arena. She has a ton of cow sense and works well off of leg pressure. Nona scores well from the head box and is strong to the horn every time. She's been used in ranch rodeos and team roping jackpots and is ready to be hauled consistently. Nona is a seasoned and dependable ranch horse with a bright future as a performance horse. HPI eligible through 2024.

Consignor: C & A HORSES, AZ, (928) 699-2840

'Billy' is a 9 yr. old, AQHA, gray mare. Billy stands 15 hands tall and is built like a brick house. Lots of famous names on her papers. This mare is a sweetheart to be around and you would think she is one of the geldings. She is very easy to get along with and gentle enough for anyone to ride. We have taken Billy on pack trips and several trail rides. Beginners have ridden her to move cows and tag along with simple ranch work. You can do anything outside on this mare and knows what a day's work is. Billy is solid on the heel side and becoming that way on the head side as well. She has been hauled all over Arizona to jackpots. Billy wants to stop and really reads cattle. We have also started her in breakaway, it is easy for her. She knows her job and is happy to do it. You will be proud to own this mare. Rope on her now and breed her later. This is a horse the whole family can enjoy. Give us a call and come check her out before the sale. She'll be used as a help horse during the HPI. Watch her full video on YouTube and check for updates at C&A Horses on Facebook.

We have owned this horse since he was a 2 yr old. We have done just about everything you can do on one.
Zan is way ahead for his age! He has been hauled everywhere from U.S ropings, rope horse futurities,
open ropings in Texas on down to the #10s. He is also qualified for the world show this year in the heeling!
Finished on both ends but more seasoned on the heel side. He will compete in the HPI and should be a real
contender plus 2 more years of eligibility. He has been used on the ranch a bunch to doctor cattle, catch
strays, gather and sort. Call us with any questions. If you are looking for a great rope horse, look no further!

"Mouse" is a proven barrel and breakaway horse that has won at the collegiate and professional level. He is a WPRA money earner in both barrels and breakaway in the Badlands Circuit. Emilee Pauley used him in both events at college rodeos in 2021 and 2022. He helped her win the 2022 Great Plains Women's All Around title and took her to the college finals in barrel racing. Mouse competed at the Women's Rodeo World Championship in Las Vegas in the barrel racing in 2021. He has been a consistent 1D -2D barrel horse in South Dakota, surrounding states, and in Arizona. Mouse is as honest as they come, has a huge heart, and is always great to haul. He's seen countless ranch miles. He stays quiet at the gate and in the box. Scores great, runs hard and stops hard! Mouse was competed on in five events to win the 2022 EWM Iron Cowgirl Event. He won the HPI barrel racing 2 years in a row. He is a standout and proven performance horse at a great age!

With body, brain, and speed, this 5-year-old gelding is your next top prospect in the arena or on the ranch. Ringo is gentle and easy to rope on. Certainly no stranger to the pasture and is roping consistent out of the box in the arena. He has seen every aspect of ranch work and ready to go on with. This will be a great option for the long term and whole family.

"Shorty" is a special horse. He has done everything that can be done on a ranch. He is very broke, and has a big stop, whether you ride once a week or lay him off for months. The same horse every day. Has won money in the heeling and team penning. Pasture roping, doctoring, team roping or let the grandkids ride him, he don't care. Pretty neat to sort on too. Ranch or arena he will fit. Don't miss this special kind of horse.

If you want the Red Buck genetics in a more moderate size this is your mare. She was broke and roped on when she was younger but has been a broodmare the last several years. Only reason for selling is I have several young fillies going into the broodmare band. She is bred to Baron Red Joe Jack that will be going to the AQHA world show in three events. Colt she is carrying will be HPI eligible.

He has drug many calves to the fire and has roped and doctored cattle outside. He is started in the roping pen and is making a horse; he just needs to be hauled more. Sound and not a bronc.

Consignor: RICK AND VICKIE TROYER, NE, (402) 750-0384

Mojo was purchased as a 3 year old from E and E Ranches in Whitesboro Texas. We didn't get her finished as a cutter, but she has some cutting training. Was then used on the ranch and ridden by kids and grandkids. She went to the broodmare band in 2019. Her oldest foal is a 3 year old and on track for egalitarian futurities. She's extremely well trained, sound to ride or breed, with an exceptional black type pedigree. Selling her because we lost some pasture.

Mare Exposed to: CHEXS TIME TO SHINE

A pretty buckskin 14'3" mare that is medium build, she's broke for anyone and has been an excellent broodmare also, she's bred to Chexs Time To Shine for a May baby, her colt will be a full sibling to the lot 53 gelding that sold on the spring sale. Her colts are smart and cowy and have a lot of shape. She's very broke and stays that way, let set for a year or two and she'll ride off and be very quiet. All the kids have rode her and she'll take care of them if it's their first time to ride. These don't get offered for sale very often so here you go. Ride her or breed her; she's good at both.

We bought Speedo in this sale as a weanling. He is a big strong colt who loves to work. He is a great traveler and has been moving cows since he was started. He was turned out as a yearling on the ranch, and knows the rough country. He has what was called a "watch eye" he does not see 100% in his right eye, although he does see some things. HPI eligible

MR DIAMOND EYED #5744823

"DIAMOND" is a big stand up gelding that is the head horse/barrel type! He has been used extensively on the ranch to doctor and sort cattle. He has also been used to break in lots of cattle for the USTRC productions. He will be well started in the heading, trail rode outside a lot and used to check pastures. Gentle. With these bloodlines you are sure to not get outrun in the arena or outside.

Here is an own son of Hagrid that I have owned since he was a two year old. He has lots of miles on him and very handy broke. You can catch him anywhere and he is very gentle. Been ranched on for the past couple of years. I have headed hundreds of steers on this horse, roped cows in the pasture and taken him on Elk hunts in the mountains. If you're looking for your next good horse be sure to give him a look.

Baron is a big, stout, and gentle family type of horse. He has been used mostly to run barrels but has a good start in the heading and also has been used in the poles. Baron would make a great dual purpose high school or junior high rodeo horse. Consistently runs in the 3D and takes care of whoever rides him. He has also been used for every aspect of ranch work from dragging calves to the fire to pairing out summer pairs. Here is one that would be great to help someone get a start or help someone win tomorrow.

This super nice palomino gelding is by one of my favorite sires right now! (Smart Nu Shiner) All the horses I've rode out of him have been great and a joy to ride and this one is no different! He will have 120+ days riding! He has a lot of feel for your seat and natural ability with his feet! Has been rode outside a lot and trail rode through the Ozark hills. I have also hauled him with me to all the ropings to give him lots of exposure. He will be well started on the dummy and slow cattle, and used in the branding pen!

Nine year old bay gelding. 15.1 hands and very athletic. Proven cross here. A top end head horse. He can be as fast as you want him to but soft handle in the corner. A great ranch horse who has done it all. Very sure footed and you won't have to trot to keep up—a good traveler. Gentle to be around and kind to other horses. You will want to take a look at this one. We have owned him since he was a weanling. For videos, search AWE JOE on YouTube.

JO has been my main head horse for the past three years. This horse has been won on everywhere; from open and college rodeos, U.S. and World Series Jackpots and has also been used as a helper horse during the HPI at the Pitzer Ranch. JO is as solid of a head horse as you'll find, if you can swing a rope you can rope off of him. He is gentle for anybody, and ready to take someone to the pay window. Stands 15.1 and weighs 1200. Pictures and videos will be on Facebook leading up to sale day. FMI (785) 477-1677

Lecil is a 11 yr old gray mare. She came from the Bartlett breeding program and goes back to Playgun. I have had her since she was three and she has been used as a ranch horse her whole life. She has drug lots of calves to the fire with never any issues, ranch rodeos, head and heels steers in the arena. She can be quirky about her ears after she has time off but is fine if you take your time.

Outstanding, stylish gelding that handles all well. Ranch horse deluxe, take home to brandings, rope n drag calves. He has a heart of gold. Started in the arena. He has a natural stop, pretty personality, just like his looks and the kind you want to ride.

A super nice bay roan colt that is clean and has a lot of shape. The dam has a barrel horse speed and produces high quality foals every year. Royal Bartender Joe is an extremely talented horse with a TEJ mind that can cut, has size and run.

We purchased Barzana at the Pitzer Sale in 2017. We have continued to use her as a broodmare she is a great color producer. She has a large scar on her side that she had at the time of our purchase that has not bothered her at all through the years we have had her. She is a super sweet mare to be around. We just have too many and are downsizing. She sells in foal to Guitar Gun.

T-man is a gorgeous palomino gelding that is 4 years old, shapey, kind and talented! His papers are full of some of South Dakota's greatest athletes that continually take cowboys and cowgirls to the pay window in multiple events. I have had him around my place for over a year and wish he was in my personal string. He is tall, standing at 15.2, with a medium build. I have used him calving the last two springs and have used him during all the spring work, day working and at the sale barn. He has seen a lot the last year and takes it all in stride! I also started him in the heading last summer and will rope on him all this summer (he would also make a great barrel prospect). Turn him out and gather him back in a month and he will trot off! Don't miss out on a super young talent with his whole career ahead of him!!

Rowdy is a uniquely colored gelding that is fun to ride. He neck reins easily and will go wherever you point him. We've been heading and heeling on him all summer and he's really making a nice rope horse. He's been hauled to jackpots and we'll continue to haul him to jackpots this summer and really get him seasoned so he's ready to be your number one come fall. There's zero buck to this guy and if you know how to ride you'll get along great with him. Ranch on him, rope on him, or ride trails on him, it doesn't matter you'll like him. He's only five years old with his whole life ahead of him.

RANCH HORSE INVITATIONAL

Explanation and Expectations for the Invitational - by Jim Brinkman

For many years I have talked about and worked to design a competition for the get of accomplished and approved Pitzer Ranch-bred sires. They will compete in a contest to show what I think is the ultimate Ranch Horse. This competition is designed based on what we expect of a broke horse at Pitzer Ranch, sound conformation, well-broke, good enough to use on the ranch and at the brandings during the week and then saddle up to compete at jackpots on the weekends. He can be ridden by one or several different riders (either at home and also for this competition). By tying this invitational competition into the horse sales and making it exclusive for Pitzer-sired bloodlines, we expect this to create even more demand for proven Pitzer Ranch sire line prospects and finished horses. We ultimately hope to make your breeding programs healthier and with more demand trickling down to broodmares producing these horses. Numbers and volume are one of the unfair advantages most bloodlines can never obtain. For the Two Eyed Jack family line of horses to remain in demand over time the wider the base and the more volume we together produce, the more chance we as breeders have to continue improving our horses almost to the point of making it a breed within the Quarter Horse breed.

It was written by a famous horse trainer that "judging makes us all imitators". It only teaches us to try to do what the last winner did. By using only the clock, timed competition results are the only judge. This competition should allow creativity by both rider and his horse and let the true talent show through.

With this competition using the clock mainly as a judge you should not leave feeling that you had an unfair chance or prizes taken away by human opinion as many complain about with judged events. This is a competition for any level rider to compete and showcase their horse's skills in any or all of the events. These are events with skills based on desirable traits I believe in and that I have tried for many years to breed into the horses in my Pitzer Ranch program.

I have created a list of the Pitzer Ranch-blood stallions that have proven themselves in the arena. They are either sired by Pitzer Ranch standing stallions or stallions that I have admired their traits and accomplishments enough to stand them as Pitzer Ranch outcross sires. I encourage all the stallion owners on the list to nominate their studs. Their weanlings will be the only ones accepted to be sold in our annual Pitzer Ranch Fall Production & Consignment Sale. Horses consigned to a Pitzer Ranch Sale that are less than 6 years old will have notation on their catalog pedigrees as eligible for entry in the  Ranch Horse Invitational. Horses 4-6 years old by Paid-Up sires can then be entered in our yearly Ranch Horse Invitational Competition. All of this is with the belief that it will promote the versatility, disposition, conformation and ability of the bloodlines of the Pitzer Ranch athlete and continue to make them in high demand. This should benefit us all with a realistic competition that produces old-time fun, ranch-based friendly competition, a higher demand for our horses, and ultimately greater prices for the prospects and broke horses we sell.

On the next pages check out the basic information, class descriptions, and preliminary eligible sire listings. Visit our website www.pitzerranch.net which will continue to be updated as the list of approved sires grows. As they are paid-up, their 4-6 year olds can enter the yearly  Ranch Horse Invitational. Please join me in celebrating and promoting the Pitzer Ranch bloodlines. This is a continuation of the ranch philosophy that has been in place since 1945. Don't miss your chance at owning the next HPI winner!
