**MEET THE
ARROWHEAD HUNTER!**
An Introduction to Native American
Artifacts: Uncovering the Past
with Bruce Hentschel
Sunday, May 24th @ 2:00pm
Shelly Schoolhouse Meeting Room
(next to Shelly School)
130 Richlandtown Pike, Quakertown, PA

The Richland Historical Society is pleased to have guest speaker, Bruce Hentschel, an arrowhead hunter, field walker and collector of native artifacts from Bucks, Montgomery and Delaware counties for over 35 years, share his experiences.

Bruce will have on display examples from his collection of Lenape artifacts, some of which date back to pre-European times, including arrowheads, spears and tools found in our local fields and streams. He will also explain the native use of the tools and how the local stone, jasper, that was used for the arrowheads, helps identify the tribe it came from. Bruce will share his exciting discoveries of campsites along the waterways of Pennsylvania and walk you through his findings.

*Have you found an artifact?
We invite you to bring it to the talk and learn about its history.*

About one in every three bites of food we eat is from insect-pollinated plants.

Protecting habitat from pesticides is an important part of helping pollinators.

A single garden can be an oasis for pollinators, other beneficial insects, and songbirds.

Learn more at: Xerces.org

Our name (which is pronounced Zer-sees) comes from the now-extinct Xerces blue butterfly (Glaucopsyche xerces), the first butterfly known to go extinct in North America as a result of human activities. The Xerces blue's habitat was destroyed by development in the sand dunes of San Francisco, and the species was declared extinct by the 1940s.

UPPER BUCKS COUNTY TECHNICAL SCHOOL CULINARY STUDENTS COMPETE IN "COOK AROUND THE WORLD" AT DISNEY!

We are incredibly proud of our 10 Upper Bucks County Technical School Culinary Arts students who made a massive splash in their debut at Walt Disney World for the WorldStrides "Cook Around the World" competition!

Facing off against 28 teams, our students brought the heat, placing 2nd in the Entrée category. Adding to the excitement, our Team Captain, Milca Rosales, was one of only 12 students—out of over 750 competitors—to receive the prestigious Judges Spotlight Pin for her forward-thinking leadership and quick pivots during the improv challenge.

Special thanks to celebrity guest chef Duff Goldman for the inspiration and for taking the time to mentor the next generation of chefs! Our students proved that with teamwork and creativity, they can compete with the very best.

GARDEN TIPS

The "Buzz" about Native Plants

By Carol Schroding,
Gardening Enthusiast and former owner
of Northeast Native Perennials

More For The Perennial Layer Of Your
Habitat Garden

Now let's look at plants for shade and part-shade. **Eastern Columbine** (*Aquilegia canadensis*) is a wonderful early season native flower that attracts hummingbirds and pollinators and tolerates a great variety of soil and light conditions. **Garden Phlox** (*Phlox paniculata*) does well in part-shade or full sun and has a long bloom time, typically July through September and is loved by pollinators! **Blue Wood**

Aster (*Symphotrichum cordifolium*) is a lovely late season bloomer providing valuable nectar for pollinators and thrives in shade in average to dry well-drained soil.

Looking for a large "statement" plant for shade? Try **Bugbane** or **Black Cohosh** (*Actaea racemosa*) which can grow 4-6 ft. tall including the feathery white bloom, which is a bee and butterfly magnet. It prefers partial shade and rich, moist soil. These are just a few of the many beautiful native shade plants for your habitat garden.

Ground covers are not always considered, but the more ground that is covered with native plants the more habitat you provide, and the less weeding you will be doing! For shade there are some wonderful native groundcovers such as **Allegheny Spurge** (*Pachysandra procumbens*) which is not an aggressive spreader like its Japanese counterpart. It does form beautiful colonies which provide cover for habitat wildlife and fragrant blooms in spring attract pollinators. Another for shade or part-sun is **Fernleaf Phacelia** (*Phacelia bipinnatifida*) which blooms in April and provides food for early-season pollinators. It readily self-seeds making it a great choice for naturalizing. **Woodland Stonecrop** (*Sedum ternatum*) is also a wonderful groundcover for shade, with an early white bloom that attracts bees and butterflies.

Wild Ginger (*Asarum canadense*) with its large heart-shaped leaves provides cover for wildlife, provides food for pollinators with its hidden blooms and is generally resistant to deer and rabbits.

Next time: More provisions for your habitat garden!

\$25 GIFT CARD CONTEST

This week's winner will receive a \$25 thrift-shopping spree at **The Thrifty Frog, 575 Main Street, East Greenville.** After years of managing thrift stores, The Thrifty Frog owner, Catherine, decided to open her own thrift store in her own hometown. Here she combines the thrill of thrifting with meaningful community giving. When Catherine was deciding on a location for The Thrifty Frog, she kept coming back to the old St. Philip Neri School and knew this was where her store belonged, a place where history meets new beginnings. The Thrifty Frog puts community impact at the center of every decision and is built on fairness, fun, and giving back. The Thrifty Frog works with local non-profits and lets customers decide where monthly donations go. And as far as the name goes – The Thrifty Frog name was born from a hilarious moment of pure joy—a photo of a frog in a pink cowgirl hat. It made her smile instantly, and that's exactly the spirit Catherine wants to promote in her shop. So how could we hide anything this week other than that frog in a pink cowgirl hat! They are super cute and finding them all will get you excited for thrifting! Don't get stranded in a marsh or distracted by any polliwogs. Hop through the ads, find all 10 and write the names of the companies where the frogs in pink cowgirl hats appear. Your correct entry will be entered into a drawing for the \$25 gift card to The Thrifty Frog. Good Luck.

PRAYER TO THE BLESSED Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. The person must say this prayer 3 consecutive days. After 3 days, the request will be granted. This prayer must be published after the favor is granted. L.S.B.

Love Kittens, But Can't Adopt?

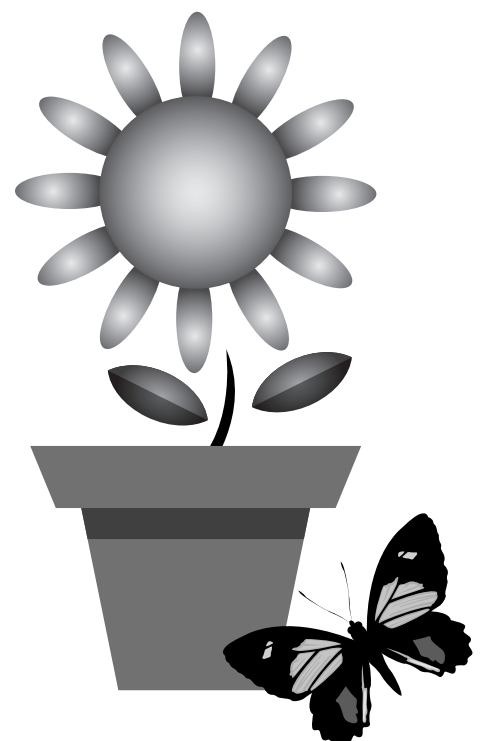

STRAY CAT BLUES Foster Care Program may be a great volunteer opportunity for you. Cat & kitten rescuers tend to be very busy, especially this time of year. You can help by being a foster home -- either for tiny abandoned kittens who need bottle-feeding or older kittens who just need snuggles and playtime. All you need is a kind heart and a desire to help cats and kittens who would otherwise be homeless if not for you. Visit straycatblues.org/ foster-application or call 215-631-1851 to learn about the Stray Cat Blues Foster Care Program.

THUMBS DOWN

To food delivery drivers that leave food at the wrong address. If you live near the Old Beth / Portzer Rd circle and routinely don't get your food delivery, it's because your delivery driver is leaving it at my door only for me to find it hours later or the next day! Food delivery drivers, please check the address and better yet - deliver the food to the person who paid for it, don't leave it at my door to be wasted!

UNHAPPY WITH CURRENT LAWN care company? Small local company can help you with mowing, mulching, seasonal clean-up, flower bed installation and maintenance in the Quakertown and Coopersburg areas. Fully insured. **KRAUSE HOME & LAWN CARE**, 267-261-7671.
