**PRAYER TO THE BLESSED** Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. The person must say this prayer 3 consecutive days. After 3 days, the request will be granted. This prayer must be published after the favor is granted. T.S.

**An international nonprofit organization that protects the natural world through the conservation of invertebrates and their habitats.**  
[xerces.org](http://xerces.org)

Our name (which is pronounced Zer-sees) comes from the now-extinct Xerces blue butterfly (*Glaucopsyche xerces*), the first butterfly known to go extinct in North America as a result of human activities. The Xerces blue's habitat was destroyed by development in the sand dunes of San Francisco, and the species was declared extinct by the 1940s.

# PET OF THE WEEK

## SUNNY

**Meet Sunny, the ridiculously cute pumpkin who had to learn how to love again!**  
 Sunny's story took a traumatic turn when the family he'd had for his whole 6 years of life moved and left him at a busy shelter. He suddenly found himself in a chaotic shelter environment, and he completely shut down. His days were numbered until a Stray Cat Blues volunteer scooped him up. It took him a while to learn to trust again, but Sunny has now blossomed into the lovable ball of sunshine he is today.

Sunny has much to say, and he will happily share it all with you! He always greets his foster mama at the door, enjoys playing with toys and being petted, and he adores kisses! With his vibrant personality, it didn't take him long to become the ambassador of the foster room.

Sunny is looking for a patient, cat-savvy adopter who will give him the time he'll need to adjust to more change and his bold personality. He isn't shy and won't hide, but he just needs to feel safe and secure and know he won't face another upheaval. He'd do best in a home with no kids or dogs.

**Wanna meet this sweet survivor?**  
**Set up a meet-and-greet today!**

To meet Sunny, go to [straycatblues.org](http://straycatblues.org) or call 215-631-1851. Stray Cat Blues is a 501(c)(3) non-profit that's been rescuing area cats for more than 25 years. In addition to fostering and adopting friendly cats and kittens, we Trap, Neuter and Return (TNR) feral cats.

# GARDEN TIPS

## The "Buzz" about Native Plants

By Carol Schroding,  
Gardening Enthusiast and former owner  
of Northeast Native Perennials

### Gardening with Deer, Part III

Last week we discussed some early season native perennials that are less palatable to the deer due to their scent, texture or toxins they contain.

During the height of summer, there may be a lull in blooming plants, at which time the **Mountainmints** are so much appreciated by the pollinators and by me! They have a very long bloom time, and its strong scent and bitter taste make it a great deer resistant plant. I have three kinds in my garden: **Narrowleaf Mountainmint** (*Pycnanthemum tenuifolium*), **Short-tooth Mountainmint** (*Pycnanthemum muticum*) and **Hoary Mountainmint** (*Pycnanthemum incanum*).

In late summer, the **Goldenrods** (*Solidago* sp.), **Turtlehead** (*Chelone* sp.), **Sneezeweed** (*Helenium* sp.) and **Asters** (*Symphotrichum* sp.) begin their blooms. All of these possess attributes that make them unappealing to the deer. Two of my favorite Goldenrods are **Bluestem Goldenrod** (*Solidago caesia*) and **Zigzag Goldenrod** (*Solidago*

*flexicaulis*) for their well-behaved clump-forming habit, shade tolerance and value to pollinators. Turtlehead is a unique bloom and provides important nectar for Bumblebee species and is a host plant for Baltimore Checkerspot Butterfly. The straight species Sneezeweed bloom bright yellow flowers with wedge-shaped rays and a prominent dome-like center disk. Asters can be browsed by deer when food sources are getting scarce, but not their favorite. **New England Aster** (*Symphotrichum novae-angliae*) is one of my very favorite asters with its striking pink or purple blooms with yellow center. It is a crucial pollinator plant.

Two final deer resistant plants worth mention for the late-season garden are **Obedient Plant** (*Physostegia virginiana*) and the **Joe Pyes** (*Eutrochium* sp.). Obedient Plant is visited by bees, butterflies and hummingbirds, making it an important pollinator plant. Its beautiful lavender color provides a wonderful contrast to the many yellows and golds in bloom late in the season. The Joe Pyes have bitter tasting foliage and a strong scent which discourages deer from browsing and is a magnet to bees and butterflies.

Next time: Spring Is Finally Here!!

# Wonder Kitchen

## Gift Basket Contest

Wonder Kitchen was the winner in Penny Power's 2026 Reader's Choice Award for best Farm-to-Table Restaurant. This week's winner will receive a **Wonder Kitchen gift basket along with a \$25 gift card** so you can enjoy the flavors that Penny Power readers voted "best." The Wonder Kitchen Asian-style farm-to-table restaurant is located at 102 E. 4th Street in Bethlehem. Much of the food they prepare and serve in the restaurant comes from their very own organic farm, Wonder Garden, located in Hellertown. Serving fresh, nutritious and delicious food is their passion. If you enjoy a delicious meal carefully crafted with fresh, local ingredients in a welcoming and relaxed setting, then you definitely will want to enter this week's contest. But first, we have 10 very happy newly hatched chicks hiding throughout our ads and waiting for you to find them. Write the names of the 10 companies where the chicks appear on the lines below. Your correct entry will be entered into the drawing for the Wonder Kitchen Gift Basket and Gift Card. Enjoy peeping through the ads and Good Luck!

**CONGRATULATIONS TO UPPER BUCKS COUNTY TECHNICAL SCHOOL MARCH 2026 STUDENT OF THE MONTH - BRIANNA JANNEY - HEALTH CARE PROGRAM**

Quakertown senior Brianna Janney is UBCTS's March Student of the Month. She has had her sights set on healthcare since 8<sup>th</sup> grade, when a school tour convinced her it was exactly where she wanted to be. With a younger brother, a niece, and two sets of supportive parents behind her, Brianna is grateful for the encouragement and advice she receives from her entire support team as she plans her future.

In the Health Care program, Brianna's favorite part of class is the in-depth learning—she finds the medical field constantly fascinating and loves discovering something new every day. She credits her mom, Mrs. Deily, and Mrs. Konency with continually pushing her to do her best. One of her most memorable experiences was visiting the simulation room at St. Luke's Bethlehem campus, where the students got a glimpse of realistic medical training.

Brianna has built impressive real-world experience through two co-op positions. She first worked at Success Rehabilitation in Quakertown, where she assisted with occupational, physical, and speech therapy. She is now working at St. Luke's Upper Bucks Campus as a modified PCA. With a strong support system from her St. Luke's "family," Brianna especially enjoys working in the ER, where the fast-paced, unpredictable environment means no two days are ever the same.

After graduation, Brianna plans to attend Moravian University to pursue a nursing degree. Her long-term goal is to become a nurse practitioner in a trauma unit—perfect for someone who thrives in the organized chaos of emergency medicine. When she's not immersed in the medical field, Brianna likes to relax and recharge with art projects, especially painting, proving that even future trauma specialists need a creative outlet.

Congratulations Brianna!

The Perkasio and Quakertown Rotary Clubs are pleased to support the Outstanding Students of the Month at the Upper Bucks County Technical School. Rotary Club members Ken Middgett, Sue Deily and David DiRenzo present a Certificate of Congratulations and a monetary gift in recognition of Brianna's hard work, dedication and success.
