THUMBS DOWN

To all drivers who forgot basic Drivers Ed class... When coming to a stop light or stop sign, pull up to the car in front of you! It seems like since Covid we "social distance" our cars! The spaces in front of these cars result in traffic jams and causes us to sit through multiple lights. They could easily move up and let people behind you pass to make a right turn or get by to make the left turn light. Please be courteous and pull up to the car in front of you! Laws of physics will tell you putting space between the car in front of you and your car will only slingshot you faster and harder if hit from behind

VIRTUAL SUPPORT GROUP Alternatives to Suicide Support Group (NAMI) - Every 1st and 3rd Wednesday at 6:30pm. Support group provides a safe space in which two peers facilitate conversations about the human experience of choosing to stay in this world despite feelings of wanting to die. The groups will focus on connection (relationships building) and exploration (putting our suicidal thoughts in context and discerning our unique paths forward). Participants reclaim the notion of being able to name difficult themes/emotions, hold them in communal settings and build meaningful connections by sharing individual stories rather than by identifying a common diagnostic code in our medical charts. Register at revivalsoc.com/events.

PET OF THE WEEK

BETTY WHITE

Meet Betty White!

Ok, let's clear something up right away: When you hear "Betty White," you're probably thinking angelic Golden Girl. Yeah, that's not me. I am more of the Betty White from Saturday Night Live--sharp wit and lots of opinions, with yes, a sweet grandmotherly side that I like to mostly hide in order to keep people on their toes.

I've seen a lot of stuff in my day, and therefore, I don't believe in sugarcoating things. I'm going to watch you sleep, and in the morning I will give you pointers on how you can improve. I will critique your wardrobe choices, but you will thank me for it. I will judge your food serving style and express my views loudly and with spirit.

I'm fine with other cats, as long as they swear allegiance to me and recognize me as the household head. I'm also fine as a solo cat.

And I will love you with a fierceness that will be unwavering, even if you occasionally forget my rules and touch my belly. Or wear socks with sandals.

I'm ready to interview you. Have your people call my people. I look forward to it.

To meet Betty White, go to straycatblues.org or call 215-631-1851. Stray Cat Blues is a 501 (c)3 non-profit that's been rescuing area cats for more than 25 years. In addition to fostering and adopting friendly cats and kittens, we Trap, Neuter and Return (TNR) feral cats.
