Love Kittens, But Can't Adopt?

**Stray Cat Blues Inc.** STRAY CAT BLUES Foster Care Program may be a great volunteer opportunity for you. Cat & kitten rescuers tend to be very busy, especially this time of year. You can help by being a foster home -- either for tiny abandoned kittens who need bottle-feeding or older kittens who just need snuggles and playtime. All you need is a kind heart and a desire to help cats and kittens who would otherwise be homeless if not for you. Visit [straycatblues.org/foster-application](http://straycatblues.org/foster-application) or call 215-631-1851 to learn about the Stray Cat Blues Foster Care Program.

**CONGRATULATIONS TO UPPER BUCKS COUNTY TECHNICAL SCHOOL**  
**DECEMBER 2025 STUDENT OF THE MONTH**  
**LUKE STANGS - WELDING & FABRICATION PROGRAM**

Luke Stangs, a senior from Palisades High School and resident of Ottsville, has been named UBCTS's December Student of the Month. He lives with his parents and sister and is in his third year of the Welding & Fabrication program. Luke chose UBCTS after his family and friends wisely suggested he learn a trade—apparently, they thought that Luke was a kinesthetic learner and they were right!

The best part of welding for Luke? The mix of hands-on work and real-world knowledge. One of his standout experiences has been starting co-op with Stout Customs in Ottsville. He credits Matt Stout and his team for teaching him everything from efficiency hacks to a few tricks that aren't in the textbooks. On a side note, Matt is also a UBCTS/

Palisades graduate. Another stand-out moment for Luke is right here, right now...being named UBCTS's Student of the Month. Believe me when I say he was quite shocked and honored when I told him. After graduation, Luke will enlist in the U.S. Navy Construction Battalion (the Seabees), building and repairing infrastructure, performing underwater construction, and supporting military operations and disaster relief worldwide. His long-term goal? To join the Steamfitters Union and keep building a solid career in the skilled trades—preferably without any accidental fireworks.

When he's not welding or planning world construction domination, Luke enjoys riding dirt bikes, tinkering with his trucks, and installing sound systems. He's proud of what he's accomplished at UBCTS and excited for the opportunities ahead—hopefully with more sparks and less paperwork.

**FINDING THE HISTORY OF QUAKERTOWN AT THE RICHLAND LIBRARY**

*Richland Library Company  
Established 1788. Chartered 1795*

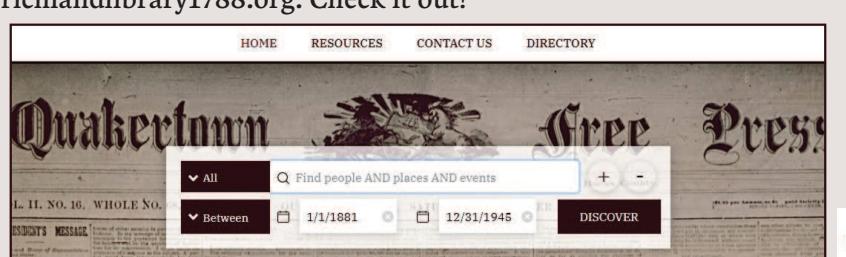

Until it published its last edition in January 2009, a family-owned newspaper launched in 1881 called The Quakertown Free Press kept generations of residents living in and around Quakertown current on town happenings.

The archives of the newspaper are now a treasure trove of historical information. Thanks to an initiative of the Richland Library Company, these archives are being made available in an open, easy to use, searchable format.

The Richland Library Company, located at 44 S. Main Street, is a private library company dating back to 1788, making it one of the oldest in the country. It operated as a general lending library from its founding through the 1970s. Since 1993 it has focused on preserving items of genealogical and local interest, and in 2018 opened a new addition to house the Calvin Ruth Archive and Research Center. It is truly a local jewel for anyone researching local history.

The Library recently joined with the Richland Historical Society on this major project to create an online digital archive of the Quakertown Free Press. The archive currently is complete through 1945, and will continue to digitize additional years as funding allows.

The online archive is available to all internet users - no registration, login or fee of any kind - from the library's website: [richlandlibrary1788.org](http://richlandlibrary1788.org). Check it out!

To those of you who live in Hellertown whose garbage is blowing around.

When it's a windy day, please cover your recyclables tightly so those of us who live down the street don't keep receiving them again and again on our lawns (front and back).

We are tired of this happening time and time, year after year.

Also, please break down your boxes and tie/tape them up. We're tired of the mess your boxes (big and small) are creating all over the place by blowing down to our yards. Please read the town website to see what you need to do about this. Thank you!

## IN MEMORY - ROGER FULMER

September 6<sup>th</sup>, 1943 - November 23<sup>rd</sup>, 2025

Roger Dale Fulmer, a long-time resident of Sellersville, passed away on Sunday, November 23<sup>rd</sup>, 2025. He was 82.

Roger was the beloved husband of Marjorie (Sweetman) Fulmer for 55 years.

Born in Watsontown (Northumberland County), he was the son of the late Alvin Fay Fullmer and Thelma (Gregory) Dixon.

He was a proud U.S. Army veteran, having served in Germany during the Vietnam War.

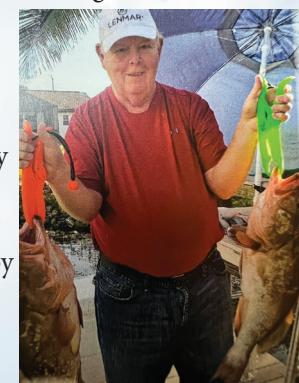

Roger was employed by various pharmaceutical companies over the course of his career, retiring in 2007. Following his retirement, he worked part-time for 15 years as a funeral assistant for the Betty Meier Steeley Funeral Home, Sellersville.

A life member of the Sellersville Fire Department for more than 25 years, Roger served as both a firefighter and with the Fire Police.

Roger was an avid fisherman. He also served as President of the Bucks County Metal Detecting Club and loved exploring old properties and researching his finds. In addition, he enjoyed working on his property and observing the wildlife. He had even raised mute swans at his pond.

In addition to his wife, Roger is survived by his two sons: Alan Fulmer (Colleen) and Kevin Fulmer; two grandchildren: Ashley Fulmer and Luke Fulmer; his five siblings: Carol Ulrich, Gary Fulmer (Mary), Ricky Fullmer (Pat), Sherry White, and Donna Bacon; and many other loving family and friends.

In addition to his parents, he was preceded in death by three brothers: Melvin, Marvin, and Dean; and three brothers-in-law: Phil White, Roswell Ulrich, Jr., and James Bacon.
