

WELCOME TO

DURHAM

Ever-changing. Never changing.

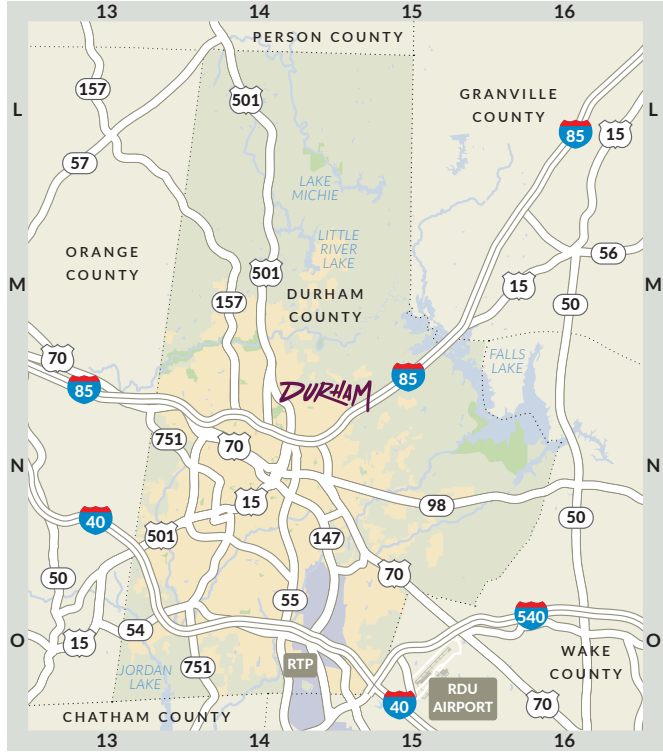

Durham is a historical haven, a sanctuary for the spectacular, and a rough-cut gem waiting to be unearthed. Maybe you've heard about our celebrated food scene, top-notch universities or buzzing startup culture. It's time you discovered it, too.

Before our sidewalks were lined with award-winning eateries and our roads paved with brick, they were traversed by industrious entrepreneurs. Seeds of equality and justice were planted here long ago, and have blossomed into a colorful community where murals tell our proud story of inclusivity. We are where all are welcome and where the wild, wonderful, bold and beautiful come together in unexpected ways.

By app or map, you're invited to navigate the best our destination has to offer.

Come discover Durham.

Durham is within a one-hour flight or a day's drive of half the nation's population. We like to say we're at the center of it all.

RDU International Airport offers 400 daily flights arriving from 66 nonstop destinations, both domestic and international. Nearly 10 million passengers land here annually.

Around 7,000 folks will move here this year — that's nearly 20 a day. You're holding the map to what locals already know is one of the fastest growing areas of the country. Welcome.
