PRAYER TO THE BLESSED VIRGIN (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. The person must say this prayer 3 consecutive days. After 3 days, the request will be granted. This prayer must be published after the favor is granted. S.T.

PRAYER TO THE BLESSED Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruited Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. The person must say this prayer 3 consecutive days. After 3 days, the request will be granted. This prayer must be published after the favor is granted. M.C.Z.

Find the best Medicare option for your life.

Educating yourself today can benefit you greatly in the future.

- Medicare enrollees begin with Medicare Parts A and B; Also known as Original Medicare or Traditional Medicare.
- On its own, Original Medicare covers approximately 80% of a beneficiary's medical services costs for Medicare-approved services. There is no out-of-pocket maximum on the remaining 20%.
- Many enrollees are uncomfortable with this risk and choose to take an additional step beyond carrying Original Medicare.

There are two main options* to choose from:

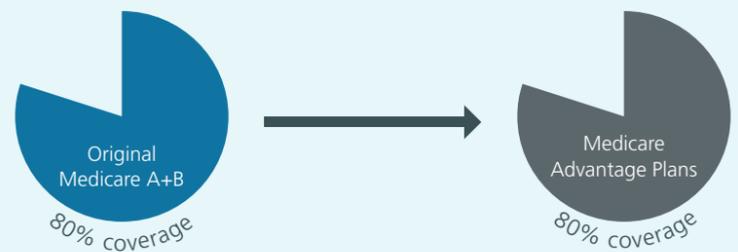

OPTION 1 – MEDICARE SUPPLEMENT INSURANCE

(also known as Medigap) is a supplement to Original Medicare that fills the gaps not covered by Original Medicare.

OPTION 2 – MEDICARE ADVANTAGE

(also known as Medicare Part C) is private insurance that replaces Original Medicare.

*With either option, you are still required to pay the Part B premium (\$185.00/month in 2025).

GARDEN TIPS

The "Buzz" about Native Plants

By Carol Schroding,
Gardening Enthusiast and former owner
of Northeast Native Perennials

Although Cardinal Flower (*Lobelia cardinalis*) remains an enigma to me, partly because I do not have the true moist to wet environment that it wants and partly because it mostly returns by seeding where it is happy, but I keep trying it. (The parent plants are short-lived.) My latest attempt was to create a mini swale by digging up a big rock and creating a hole where the rain will collect around the plant. The beautiful bright red flowers can't be beat, and the hummingbirds and butterflies love it! In the Poconos where we go, there is a trail alongside a stream where they literally grow IN the water when the stream is high. It is a gorgeous sight! Cardinal Flower will grow in full sun or part shade. Well worth trying especially if you have a wet area already!

Some gardeners will avoid Blue Mistflower (*Conoclinium coelestinum*) because of its reputation for spreading aggressively in the garden. But it is such an important late season food source for native bees and butterflies that it is a must have in your pollinator garden. It thrives in full or part sun, in moist well-drained soils. The blue-purple fuzzy clusters of flowers add such a beautiful color and texture to the late season garden! It is also deer and rabbit resistant.

Zigzag Goldenrod (*Solidago flexicaulis*) is one of my favorite Goldenrods, especially to mix in with other native perennials. It does not get too tall (1'-3') and does not spread aggressively like some of the other Goldenrods. The bees love it for a late-season food source and its spires of bright yellow flowers brighten any spot in the shade garden, as it does prefer dappled to full shade!

Next week: When to do fall garden clean-up!

\$50 Gift Card Contest!

Who wouldn't enjoy a night off from cooking dinner? Better yet -- not even having to plan what's for dinner!! Well, here is your opportunity. The winner of this contest will receive a \$50 gift card to **Applebee's Grill & Bar, 145 N. West End Blvd., Quakertown,** and their vast menu of delicious-ness! Handcrafted burgers and sandwiches piled high with your favorite toppings accompanied by irresistible classic fries. Steak & ribs, chicken, seafood and pasta dinners. How does a triple chocolate meltdown sound for dessert? Something for everyone including a kids' menu. And no dishes to clean up afterwards! Beware -- you will need to find 10 super spooky (but smiling) witches flying on their broomsticks. Write the names of the ads the witches have flown into on the lines below. Your correct entry will be entered into a drawing for a \$50 gift card to Applebee's Grill & Bar. Your search for the 10 little witches may be frightening and eerie, but don't get spooked. The magical broom may lead you to be the winner. Good luck!

PET OF THE WEEK

Meet Momma Bear!

Is there anything more exhausting than raising babies? No, no there is not. When I was first rescued, I ended up giving birth to a litter of nuggets. I'm proud to say that I devoted myself to caring for them. And boy, did I love those little goofballs, even when they'd use my ears as chew toys and demand to eat in the middle of the night. Multiple times. But now that my job is done--they were all adopted into loving homes!--I'm hoping that I can get my turn for a life of leisure. I'd love a quieter home (I definitely had my fill of noise with the little ones!) with lots of windows where I can sunbathe for hours on end. I promise to be the sweet, gentle companion you've always hoped for if you give me the chance.

To meet Momma Bear, go to straycatblues.org or call 215-631-1851. Stray Cat Blues is a 501(c)(3) non-profit that's been rescuing area cats for more than 25 years. In addition to fostering and adopting friendly cats and kittens, we Trap, Neuter and Return (TNR) feral cats.
