VIRTUAL SUPPORT GROUP
Alternatives to Suicide Support Group (NAMI) - Every 1st and 3rd Wednesday at 6:30pm. Support group provides a safe space in which two peers facilitate conversations about the human experience of choosing to stay in this world despite feelings of wanting to die. The groups will focus on connection (relationships building) and exploration (putting our suicidal thoughts in context and discerning our unique paths forward). Participants reclaim the notion of being able to name difficult themes/emotions, hold them in communal settings and build meaningful connections by sharing individual stories rather than by identifying a common diagnostic code in our medical charts. Register at revivalsoc.com/events.

\$40 GIFT CARD CONTEST

Meyers Mower Service has very kindly offered to sponsor this week's contest with a \$40 gift card. If you know Phil Meyers (founder of Meyers Mower Service), you know he's been tirelessly helping members of our community for many years, having volunteered with the Dublin Fire Company and serving as fire chief for 29 of those years. And so it's no surprise that a prize gifted by Phil would be especially thoughtful. Since it's not everyday that you need new outdoor power equipment or repairs for your mower, Meyers Mower Service is providing a \$40 gift card to the recently opened Bucks & Co. in Dublin Town Center, a carefully curated gift boutique stocking a beautiful variety of apparel, jewelry, handbags, gifts and home goods. Meyers Mower Service at 126 N. Main Street in Dublin is definitely the place to go if you need new outdoor power equipment or repairs. But if you're looking for a beautiful gift for a loved one (or yourself), then this contest is for YOU! Find the 10 riding mowers hiding throughout our ads and write the names of the companies where the mowers are hiding on the lines below. Your correct entry will be entered in the drawing for the gift card. Enjoy mowing your way through our ads and Good Luck.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Winning entries must be received by noon on **Friday, July 11th, 2025.**

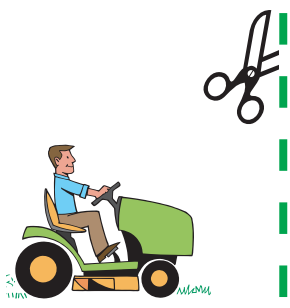

SUBMIT YOUR ENTRY:

By email: Scan completed entry form and send to: community@pennypowerads.com (please use "Meyers Mower Contest" in the subject line), or mail/drop the form off at our office: Penny Power, 202 S. JUNE IS ADOPT A SHELTER CAT MONTH!

When it comes to cats in our community, there's good news and there's not-so-good news. First, the not-so-good: There's a very sad cat overpopulation problem that leads to so much suffering. The good news? We can fix this! There's a simple way to prevent suffering and turn this problem around: spay and neuter.

It doesn't take long for things to get out of control: A kitten can get pregnant when she is only 4 months old. And a female cat can have multiple litters a year. The kittens that do survive (so many die from predators and lack of resources) go on to continue the cycle, leading to more and more cats, and more and more suffering.

If you have space in your home and heart to make a cat in need part of your family, the volunteers at Stray Cat Blues would be delighted to hear from you. If you have cats in your neighborhood that you need help getting spayed and neutered, contact Stray Cat Blues: StrayCatBlues.org or 215-631-1851. And if you have pets in need of spaying and neutering, the Bucks County SPCA offers low-cost appointments.

This is the last in our "June is Adopt A Shelter Cat Month" series. It's been enlightening learning how Stray Cat Blues volunteers are rescuing cats and kittens every single day, and we hope you've been inspired to take action and be a part of changing the lives of cats that need us.

These super adorable kittens are only some of the little ones recently rescued by Stray Cat Blues volunteers. I sure hope they all find awesome forever families to love and call their own.

GARDEN TIPS

**The "Buzz" about
 Native Plants**
 By Carol Schroding,
 Gardening Enthusiast and former owner
 of Northeast Native Perennials

It's finally summer, and our gardens look lush from all the rain we've had this spring! Some wonderful native perennials have come into bloom in my garden and are enticing the pollinators to come!

Narrowleaf Evening Primrose (*Oenothera fruticosa*) also known as **Sundrops** produce beautiful bright yellow cup shape flowers in early June. It thrives in full sun to part shade and is generally deer-resistant. Blooms provide pollen and nectar for beetles, butterflies, skippers, honeybees and native bees as well as hummingbirds visiting for nectar and to feed on small insects. Eastern Goldfinch, Mourning Dove and other songbirds enjoy the seeds later in the season.

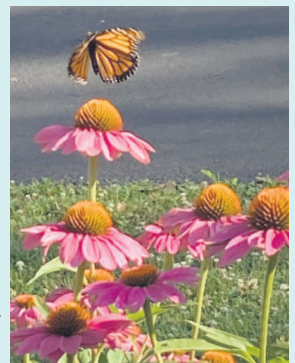

A lesser known and under-utilized milkweed native to the Eastern U.S., **Poke Milkweed** (*Asclepias exaltata*) prefers part-shade (and will tolerate full-shade) which makes it unique among other

milkweeds which prefer full sun. Poke Milkweed can reach 5 ft. in height and the white to pink, aromatic blooms point downward on individual stems, resembling fireworks. As with other milkweeds, it is a host plant for the Monarch Butterfly as well as a nectar source for many pollinators. The beautiful blooms eventually form slender seed pods.

A very popular and well-known perennial, **Purple Coneflower** (*Echinacea purpurea*) is easy to grow in full to part sun. It has long-lasting pink to purple blooms, with a purplish-brown spiny center and

flowers from early summer to fall. Plants will rebloom without deadheading but removing spent flowers improves the overall appearance. Purple Coneflower attracts many pollinators and leaving the seedheads will attract Goldfinches and other seed-loving birds!

Next time: More wonderful native perennials to feed the pollinators!
