# PET OF THE WEEK

## CORA

### Meet Cora!

Hello there! If you're looking for a cuddly, sweet, little lap cat, keep on looking-- that ain't me, babe! I am an independent, petite penguin who has a lot of rules for whoever I decide to let adopt me. But I promise I'm worth it.

Rule 1: Think of me as a pet for your pet. Not so much for you. I go absolutely bonkers when I see the resident cats at my foster home through the glass door-- I love me an older kitty! I even love my sister and roommate Coconut, though she's about as cuddly as the fruit she's named after. And kittens are cool, too! I mean, I'll put them in their place when needed, but spare the rod spoil the child, amirite?

Rule 2: You must be fun. Because I am so fun. I've yet to meet a toy I didn't love, though to be honest, I like the cheap ones best. Expensive fountain toy with floating fish? Pass. Broken wand that's only a string now? Yes, please! I also like to hit the 'nip on occasion. I climb, I jump, I wrestle, I stalk; boy do I love me some playtime.

Rule 3: Hands to yourself, please. I mean, know when I last saw a human lick their hands like we do to clean? Never. So keep those germ-ridden mitts to yourself. Please. One exception: I will allow you to gently stroke my back while I'm eating my wet food. You are welcome.

If you are up for these rules, I am your girl. I will sit next to you on the couch (just no touching, shudder), play with you until you get bored first, and keep your other cats on the straight and narrow. I know this is a long shot--most people want cuddly kittens, you know? But I'm just so hopeful that there's a cat savvy person out there who will love me for me. Is that you?

To meet Cora, go to [straycatblues.org](http://straycatblues.org) or call 215-631-1851. Stray Cat Blues is a 501(c)(3) non-profit that's been rescuing area cats for more than 25 years. In addition to fostering and adopting friendly cats and kittens, we Trap, Neuter and Return (TNR) feral cats.

Alternatives to Suicide Support Group (NAMI) - Every 1st and 3rd Wednesday at 6:30pm. Support group provides a safe space in which two peers facilitate conversations about the human experience of choosing to stay in this world despite feelings of wanting to die. The groups will focus on connection (relationships building) and exploration (putting our suicidal thoughts in context and discerning our unique paths forward). Participants reclaim the notion of being able to name difficult themes/emotions, hold them in communal settings and build meaningful connections by sharing individual stories rather than by identifying a common diagnostic code in our medical charts. **GARDEN TIPS**

**The "Buzz" about Native Plants**

By Carol Schroding,  
Gardening Enthusiast and former owner  
of Northeast Native Perennials

**Grasses**

Native grasses are not only beneficial to wildlife but add beauty and interest to our gardens! They come in many different sizes, forms, colors and textures, so something for every landscape. Here are three of my favorite warm season grasses.

**Little Bluestem** (*Schizachyrium scoparium*) has to be at the top of my list for beauty and versatility, with its blue-green foliage turning to copper and burgundy in fall. It typically grows 2-3 ft. tall and prefers full sun and well-drained soil. It has deep roots which makes it drought resistant once established and great for erosion control. Little Bluestem provides food and shelter for birds, butterflies and other insects.

**Big Bluestem** (*Andropogon gerardii*) has similar qualities as Little Bluestem, but grows much taller around 6 ft. in most sites. Its growth habit is upright and clumping and has blue-green foliage during the growing season, with red and burgundy highlights in fall. It is perfect for a meadow, prairie restoration and erosion control. As it can be aggressive, it is not recommended for small spaces. It is a host plant for many butterflies and skippers and provides wonderful habitat and food for small mammals and birds. Another common name for this grass is Turkey Foot, referring to the seed heads which form three spikelets that resemble a turkey foot.

Finally, a medium-sized **Switchgrass** (*Panicum virgatum*) 'Shenandoah', a favorite of mine for its reddish foliage and graceful blooms, growing 3-4 ft. high. It prefers full sun but will tolerate light shade. Shenandoah is an excellent choice for rain gardens as it tolerates both wet and dry conditions. It will benefit from a weekly watering in its first season. Once established it is drought tolerant and has the same wildlife value as the first two grasses.

Next week: Late-blooming native perennials for your garden!

**PRAYER TO THE BLESSED** Virgin (never known to fail). Oh, most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me, herein you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth! I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand Your power. Oh, show me herein you are my mother. Oh, Mary conceived without sin, pray for us who have recourse in Thee. (Three times.) Holy Mother I place this cause in your hands. (Three times.) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive and forget all evil against me and that in all instances, in my life you are with me. I want in the short prayer to thank you for all things as you confirm once again that I never want to be separated from You in eternal glory. Thank You for Your mercy towards me and mine. The person must say this prayer 3 consecutive days. After 3 days, the request will be granted. This prayer must be published after the favor is granted. M.A.C.

**Stray Cat Blues Inc.** STRAY CAT BLUES Foster Care Program may be a great volunteer opportunity for you. Cat & kitten rescuers tend to be very busy, especially this time of year. You can help by being a foster home -- either for tiny abandoned kittens who need bottle-feeding or older kittens who just need snuggles and playtime. All you need is a kind heart and a desire to help cats and kittens who would otherwise be homeless if not for you. Visit [straycatblues.org/foster-application](http://straycatblues.org/foster-application) or call 215-631-1851 to learn about the Stray Cat Blues Foster Care Program.

## A GIFT OF ENCOURAGEMENT

Pictured from right to left: Jann Paulovitz, Jim Lukens, Naomi Naylor, Dennis Flieger, Tom Paulovitz Senior, Tom Paulovitz Jr., Joanne Paulovitz, Shelby Leight, Linda Bender, and Nicole Pompa

Naomi Naylor, Executive Director Quakertown Alive!, donated a Blue Heron painting which was painted by Jim Lukens to St. Luke's Upper Bucks Campus, Cancer Center. The donation was funded through Naomi's Rising Star award from the Quakertown Business and Professional Women's Club and matching funds from the Brewfest committee of Quakertown Alive!

Naomi selected this painting because the Blue Heron can be seen as a fragile bird due to their weight of 4-5 pounds and hollow bone structure, yet they are bold and impressive to observe. She felt this represents hope for the patients as they go through their treatments. The patient can be seen as fragile, but their resilience to go through the treatment procedures is anything short of bold and courageous.
