Good afternoon everyone and welcome back to The Elmbridge Xcel Sports Hub for today's August Bank Holiday weekend fixture with Dorking Wanderers FC in the Enterprise National League South. We extend a particularly warm welcome to all their players, officials

and supporters that have made the short trip across Surrey to be with us this afternoon.

That welcome of course also applies to today's four match officials. This will be our first meeting with today's visitors in League competition since the 2015-16 season, when both clubs were in the Isthmian League Division One South. That turned out to be the only season we have played each other in the League, as The Wanderers were on their rapid rise up the football pyramid, whereas we were going through a period of decline.

We did of course play each other as recently as May 2025, when we met in the Final of the Surrey Senior Cup at The Wanderers' own Meadowbank Stadium.

That turned out to be a memorable evening for the Swans, as a 3-1 win gave them the trophy for the first time in 52 years.

Our opening two goals in that Final were of course scored by Dawid Rogalski. The Polish Pele has of course recently made the move to our opponents, so will be making a quick return to The Hub this afternoon.

He could well be one of four former Swans in the visitors' squad this afternoon.

Jack Wood also made the move to Meadowbank during the summer, while Jonathon Page has also gone there following his move from Swans to Yeovil Town during last season. The Wanderers' longest serving player James McShane also had a spell at

"THIS WILL BE OUR FIRST MEETING WITH TODAY'S VISITORS IN LEAGUE COMPETITION SINCE THE 2015-16 SEASON"

Swans in the 2013-14 season.

Swans' last two games, at home to Dagenham & Redbridge, and away to Chesham United last

Saturday, has seen them put on much improved performances.

With a bit of good fortune we could well have come away from both games with at least a share of the points.

Last Saturday in particular we had enough chances to have won the game, but could not find that goal that has now eluded us for the last three matches.

The signs are promising however that the newly built team are beginning to come together as a unit.

"TODAY'S MATCH WILL CERTAINLY BE ANOTHER TOUGH TEST AS WE STRIVE TO COME TO TERMS WITH THIS NEW LEVEL"

Today's match will certainly be another tough test as we strive to come to terms with this new level.

Following this afternoon's match we are soon in

action again, as on Bank Holiday Monday we make the trip into Kent to play Tonbridge Angels.

We are then due to return here next Saturday, the 5th of September, to play Ebbsfleet United.

This match will only go ahead however if the Kent club's

financial problems have been resolved.

In the meantime we hope everyone enjoys this afternoon's match and has a safe journey home afterwards

COMING UP FOR SWANS

**MONDAY 31ST OF AUGUST 2026,
3.00 PM. NATIONAL LEAGUE
SOUTH (A)**

Swans journey into Kent on Bank Holiday Monday to play Tonbridge Angels. The clubs first met at Tonbridge in the FA Cup 1st Qualifying Round in the 1982-83 season. The home club, who had not yet officially added the suffix Angels to their name, won the tie 2-0. It was 22 years before the clubs met again, Swans winning an FA Trophy Replay on penalties at Stompond Lane following a 1-1 draw in Kent. The only previous league meetings came in 2006-07 in the Isthmian League Premier Division, with Swans winning 2-1 at home after the clubs had played out a goalless draw in Kent. It was another 18 years before Swans played the Angels again, and that was two seasons ago in the FA Cup 3rd Qualifying Round. Swans travelled back from Kent somewhat unfortunate to have lost 2-1.

LEAGUE SOUTH (H)**

Swans play hosts to Ebbsfleet United, the first time they have played the Essex club since they changed their name from Gravesend & Northfleet in 2007. The clubs first met in the 1984-85 season in an FA Cup, 1st Qualifying Round tie at Stompond Lane, with the visitors winning 1-0. Swans turned the tables in 1992-93, winning 2-0 in an FA Trophy, 2nd Qualifying Round tie, again at The Lane. For both those ties The Fleet were members of the Southern League. The clubs then met for three consecutive seasons between 1997-98 and 1999-2000, with both being in the Isthmian League, Premier Division. The Fleet held the upper hand, winning three and losing just one of the six matches. The Fleet gained promotion to the Football Conference (now The National League) in 2001-02, after winning the Isthmian League Championship. They have remained in The National League since, but suffered their latest relegation in 2024-25. They have played at Stonebridge Road since the Club's formation in 1946. It was the first football stadium in Kent to have floodlights installed.

**SATURDAY 12TH OF SEPTEMBER
2026, 3.00 PM. NATIONAL
LEAGUE SOUTH (A)**

Swans make their longest ever trip for a league game as they travel into Cornwall to play first time opponents in Truro City. The Tinnars will be just the 2nd club from that county that they have met, the only other being Torpoint Athletic. Swans played them in consecutive seasons in FA Amateur Cup ties, 1963-64 and 1964-65. In that second season they had to travel for a replay, the only previous occasion they have played in Cornwall. In 2024-25 Truro City made history by becoming the first club from Cornwall to be promoted to the National League. They were relegated after just one season however, having finished bottom. During that season the Club twice travelled the longest distance for any football match in the UK. An 880 mile round trip to Carlisle was followed just a few weeks later with the record being broken again with a 920 mile round trip to Gateshead.

A MESSAGE FROM THE MANAGER

Firstly, I'd like to thank everyone who travelled to Chesham last Saturday and continued to support us despite the disappointing result. Your backing means a great deal to everyone at the club. There were some positive moments for us to take from the game, but equally, there are areas we know we can and will improve. We have used the week to reflect, learn and focus on developing both individually and collectively as we continue working towards our objectives.

There is a huge amount of work going on both on and off the pitch to ensure we continue to raise the standards and strengthen the culture within the group, ultimately creating an environment that allows us to perform at our best and achieve the goals we have set ourselves. Today, we welcome Dorking Wanderers, along with their staff, players and supporters. Dorking are an experienced National League South side, with a highly respected manager whose record speaks

for itself. We know the quality and challenge they will bring, but these are the occasions we want to embrace.

Playing at home, in front of our own community, gives us another opportunity to show what we are capable of and give everyone connected with the

club something to cheer for and be proud of.

To our supporters, be with us from the first whistle. Bring your energy, make your voices heard and lift the players throughout the game. Your belief and support can give the team that extra push, and together we can create something special here at home.

We are building something together, and your role in that is hugely important. Enjoy the game.

LATE DAGGERS' GOALS UNDO BATTLING SWANS

Coppin (84' & 88')

We put on a much improved performance against a strong Daggers' side, but still remained pointless as two late goals by the visitors sent us to another defeat.

We had to withstand a lot of pressure from the Essex side in the second-half, but looked to be holding on for a deserved draw from a battling performance.

We could not quite get over the line however, as we seemed to run out of energy and ideas.

There were four changes to the previous line-up, with Thabo Kuaho, Laurence Ernest and David Gokou all coming in for their first starts, and new signing Ikechi Eze making his debut.

There were ominous signs in the opening minutes as we were pinned back, unable to get out of our own half.

We began to settle however, and Junior Dixon ran onto Sam German's long ball over the top to send a low shot just wide of the near-post from the right of the box.

The game became much more even, and although the visitors continued to look threatening, we also put together some promising attacks.

The same pattern continued into the second-half, but The Daggers gradually began to dominate, and they refreshed things further by making all five of their substitutions over a short period, this proving to be crucial.

Our resistance finally broke with just over five minutes of normal-time remaining, and three of the visitors' substitutes combined in their opening goal. A cross came in from wide on the right to the penalty-spot, where the ball was headed down for Coppin, who had only been on for eight minutes, to score.

The Daggers pressed for another goal, and that came in the 88th minute when the ball was crossed low into the 6 yard-box from the left for Coppin to poke home for his second.

SWANS: Tommy Reid, Sam German, Tobi Omole, Thabo Kuaho (Abi Onasoga 79'), Laurence Ernest, Ikechi Eze, Matas Škarna, David Gokou, Junior Dixon (Kleyton Junior 90+3'), Marcus Sablier, Ne-Jai Tucker (Lucas Defise 60'). Subs not used: Seydil Toure, Eric Yahaya, Hassan Ibrahiym, Theo Bromley.

DAGENHAM & REDBRIDGE: Ashmore, Vincent, Marsh (Coppin 76'), Graham, Beautyman (Dieng 65'), Crichlow (Papadopoulos 67'), Hawkins, Tamplin, Clayden (Thomas 59'), Addae, Leech (Rodari 59'). Subs. not used: Dyer, Harrack. Scorer: Coppin (84' & 88').

SWANS RUE MISSED CHANCES AT CHESHAM

SATURDAY 22ND AUGUST 2026.
NATIONAL LEAGUE SOUTH.

CHESHAM UNITED

V

WALTON & HERSHAM FC

Babos (16'), Kasimu (56')

Two sides looking for their first points of the season met on the lush new pitch at The Meadow, and it was the home side that broke their duck.

We continued the improvement shown in the Dagenham & Redbridge game, matching the home side throughout, but were left rueing a series of missed chances.

We were left wondering how we have now gone three games without scoring, as wasteful finishing proved our undoing.

A free-kick after just a quarter of an hour put us behind when we were dominating, and a second goal conceded ten minutes into the second-half effectively saw off our challenge.

The squad was unchanged from that which had performed well in that Dagenham & Redbridge midweek match.

As in that game we were pressed back from the kick-off, but should have taken the lead after seven minutes when Matas Škarna set up Junior Dixon on the edge of the 6 yard-box, but with just the keeper to beat he drove the ball over the top, left corner.

We continued to have a good spell, creating chances, with David Gokou looking particularly lively on the left.

We were left regretting a series of missed opportunities as the home side took the lead against the run of play.

Chesham broke from one of our attacks, and Sam

German conceded a free-kick just outside the box. The kick was sent over the wall, beating Tommy Reid to his right.

Our early dominance faded, with the home side putting us under pressure, but as the first-half progressed we created, but failed to convert, further chances.

Our failure to make the most of our opportunities continued into the second-half, and it was Chesham who scored to double their lead after 56 minutes, a right-side cross being turned in from the edge of the 6 yard-box.

Further chances for us to get back into the game came and went, and our goalless run was stretched to three games.

SWANS: Tommy Reid, Sam German, Tobi Omole, Thabo Kuaha (Eric Yahaya 60'), Laurence Ernest (Lucas Defise 71'), Ikechi Eze, Matas Škarna, David Gokou, Junior Dixon (Kleyton Junior 82'), Marcus Sablier (Abi Onasoga 82'), Ne-Jai Tucker (Hassan Ibrahim 58'). Subs not used: Seydil Toure, Theo Bromley.

CHESHAM UNITED: Goode, Lafleur, Young, Oliyide (Williams 86'), Rasulo, Kasimu (Fasanmade 69'), Lacey, Andrews (St Clair-Burton 73'), Adebisi, Babos (Eze 86'), Lench. Subs. not used: Roberts, Adewunmi, Akolbire. Scorers: Babos (16'), Kasimu (56').

A HISTORY OF

DORKING WANDERERS

Dorking Wanderers Football Club was established in 1999, and in a short space of time has steadily climbed the non-league pyramid from park football to the National League.

The founder members Marc White, Mark Lewington, Ian Davidson, Lee Spickett and Penny Gregg brought the club to life and entered the fledgling team into the Crawley & District League in 1999, with the home ground situated at Big Field Brockham.

The club remained at Big Field Brockham until 2007, and after several promotions it relocated to its Westhumble home. This was a monumental project, which saw a huge off the field effort transform the once derelict site into a senior level football ground.

The promotions continued after the club relocated, and this continued in 2015 when the club finished runners-up in the Sussex County League, securing promotion to the Ryman Division One South (Step 4).

The 2015 season also saw the club progress further than ever before in the FA Cup, where they eventually succumbed to a last minute extra-time goal away to Biggleswade Town in a 2nd Qualifying Round replay. The club marked their first year in the Ryman Division One South by finishing runners-up, but losing out in the Play-offs. However they went one better in 2016-17 when they again finished runners-up, only on goal difference, and secured promotion via the Play-offs following victories over Hastings United and Corinthian-Casuals.

The 2017-18 season saw Dorking Wanderers line up in the Bostik Premier League (Step 3) for the first time in their history, which coincided with the building of, and the future move to, the newly constructed, multi-million pound Meadowbank Stadium development in the heart of Dorking town centre.

In 2018-19 Dorking Wanderers kicked off the new season in their brand new stadium in Meadowbank

Park. Following a mixed start to the season, mainly due to a number of injuries to key players, Wanderers really found their form from December onwards, and subsequently only lost one league game in 2019. The team went on to win the Bostik League Premier Division by 22 points, securing a place in the National League South (Step 2) for the first time in their

history. This fantastic achievement was made even more special due to the fact that it coincided with the clubs 20 year anniversary.

Events off the field would determine the outcome of the 2019-20 season with the Covid-19 Pandemic bringing all sport in the UK to an abrupt halt. The Wanderers would finish the shortened season in 7th place, a very admirable performance for their first season in the National League South. 7th place secured a play-off position for the team, and the Play-offs finally took place following the lockdown in July 2020. Wanderers won their opening game at Bath City 2-1, however they went out in the

Semi-Final following a 3-2 defeat to eventual Play-off victors Weymouth FC.

Unfortunately, the following season would also be greatly impacted by the Covid-19 pandemic. With half the season played, Wanderers found themselves five points clear at the top of the league table with a game in hand, only for the campaign to be null and voided in February 2021.

The 2021-22 season was to ultimately be Wanderers' first full campaign at Step 2, and would culminate in the Club securing another history-making promotion. An often injury-hit season concluded with Wanderers finishing runners-up in the League and scoring 101 goals along the way. Oxford City and Ebbsfleet United were then defeated in the Play-offs in front of bumper crowds at Meadowbank, and Wanderers secured their place in the National League Premier Division for the very first time.

The Wanderers completed their inaugural season in the National League finishing in 16th place.

Wanderers' second season in the 5th tier of English football came with an array of mixed emotions and performances, as the club continued to battle with being one of only two part-time teams in the Division.

Marc White's men kicked their season off away to the eventual runaway champions Chesterfield in a thrilling match which finished 4-3 to the Spireites. The club secured their first win of the campaign at home to Southend United, a week prior to signing midfielder Dan Pybus. The acquisition of Pybus preceded a flurry of new faces at Meadowbank in the

following months, as winger Tom Blair, midfielder Charlie Carter and central defender Haydn Hollis were added to a bolstered Wanderers squad. However the story of the first half of Wanderers' season was that of a fragmented squad due to an influx of injuries. It was revealed at the end of the season that the total games missed due to injuries across the squad was over 250 across the course the campaign.

Inconsistency in availability eventually led to an inconsistency within results, a sentiment which was well reflected in March, as Wanderers lost 1-4 at home to relegation candidates Ebbsfleet United, a week before beating champions elect Chesterfield 4-1, a historic win for the club, but one which turned out to be their final home victory of the campaign. Dorking Wanderers were eventually relegated from the National League away to Rochdale in their penultimate game of the season, ending their two year tenure in the Division.

The 2024-25 and 2025-26 seasons saw the club compete once again in the National League South. With strong squads hindered by injuries across both seasons the Wanderers competed well and entered the Play-off's. However, the teams hopes of promotion would fall short following defeats to Boreham Wood in the Play-off eliminator of 2024-25, and then to Torquay United in the Play-off Semi-Final of 2025-26.

The 2026-27 season sees the Club full of hope and motivation to get promoted back to the National League, with the introduction of some fresh faces, including George Nikaj and Josh Barrett.

WE'VE MET BEFORE

Swans' first meeting with Dorking Wanderers was in November of the 2012-13 season, and it came with a visit to their West Humble ground for a Surrey Senior Cup 2nd Round tie. Wanderers were then in the Sussex League, while Swans were struggling in the Isthmian League Division One South and had just parted company with manager Chuck Martini. New management duo Paul Martyn-Jones and Adam

Bessent failed to get off to a good start, losing a thoroughly winnable tie 1-0. Despite their almost total dominance of the second-half they failed to carve out clear chances. Chris Williams scored what was to prove Wanderers' winning goal after 21 minutes, running through to beat goalkeeper Sheikh Ceasay. With a minute of stoppage-time played Swans' pressure looked to have paid-off when a clearance rebounded into the goal off Jaymo Ellis, but the assistant referee signaled for handball.

Having finished Sussex League runners-up, Wanderers had been promoted to the Isthmian League Division One South for 2015-16, and their first meeting with Swans was in a League Cup 3rd Round tie at Stompond Lane in December. Following the departure of Tony Reid it was new manager Mark Hams' third game in charge of Swans, and they went out of their last cup competition, losing 2-0. After conceding five minutes into the second-half through former Swan Anthony Oaks, who scored at the second attempt, they seldom looked like forcing the

tie into a penalty shoot-out. Wanderers' second goal came with five minutes of normal-time remaining when Tom Tolfrey scored with a powerful free-kick from outside the box on the left.

The first League meeting came in February at West Humble with Swans having had a disastrous run of results. The home side meanwhile were contending for the Play-offs. After looking reasonably comfortable Swans went behind after 26 minutes through Luke Hackett's header. In the final minute of the half they conceded again when Tolfrey got into the box unchallenged to beat keeper Liam Beach. Swans had a lot more of the play in the second-half, but Wanderers always looked in control, and with five minutes remaining Tolfrey scored his second goal to make the final score 3-0.

Wanderers' 4-1 win in the return at Stompond Lane in April confirmed the end of Swans' 45 season unbroken membership of The Isthmian League. The latest defeat was their 11th in a row, and their 21st in the last 25 league matches. Hams had gone, and player Gary MacDonald had been given the task of managing the side and to try to ward off relegation. It was MacDonald's headed equaliser from a free-kick 10 minutes into the second-half that gave them hopes they could end that long losing run. Those hopes only lasted 12 minutes however, as Dean Gunner was left unmarked to head past debutant keeper Richard Ossai from a corner to give the visitors the lead for a second-time. Matt Briggs

had opened the scoring after 28 minutes, and that man Tolfrey weighed in with two late goals. Wanderers went on to finish runners-up, only to lose in the Play-off Semi-Final.

It was not until the 2021-22 season that the clubs were to meet again, and the match was another Surrey Senior Cup 2nd Round tie. The match in January was played at Wanderers' new Meadowbank Stadium. Following their meteoric rise, the home side were front runners in the National League South, while Scott Harris's Swans were leaders of the Combined Counties League Premier Division South, so three whole divisions separated the clubs.

For almost an hour there was little to choose between the two sides, despite the gulf in league placings. Swans had replaced keeper Liam Allen with Leighton Fanshawe for the second-half, and after 59 minutes the debutant was left exposed for Luke Moore to score into an open goal following a bad mistake by Joe Hicks. Darren Oldaker doubled Wanderers' lead after 71 minutes, driving a free-kick in-off a post. Two minutes later Moore made it 3-0 after Fanshawe had dropped the ball at his feet. With eight minutes of normal-time remaining Josh Taylor followed up to score after Fanshawe had made a fine save, making the final score 4-0, a harsh reflection on Swans' contribution to a fine game.

The latest meeting was of course Swans' final match of the 2024-25 season when they visited Meadowbank for the Final of the Surrey Senior Cup, and picked up the trophy for the first time in 52 years with a 3-1 win. Dawid Rogalski goals in the 9th and 17th minutes put Billy Rowley's Southern League Premier Division South Swans 2-0 up against their National League South opponents. On-loan Kai Jennings capped a dominant Swans' performance with a terrific solo goal after 48 minutes, before Alfie Rutherford scored for Wanderers in the final minute of normal-time.

29TH OF AUGUST

SWANS ON THIS DAY

1951-52 - Walton & Hershams were into their second season in the Athenian League, and they played out a high scoring game at Stompond Lane, drawing 4-4 with Southall...1953-54 - With new manager Jim Strudwick in charge, Walton & Hershams failed to build on an opening day win in the Athenian League, losing their second game 3-0 to Hitchin Town at Top Field...1959-60 - Swans were in a period of decline, and a 2-0 defeat to Wealdstone at Stompond Lane made it no points or goals from their opening two Athenian League games. They were not helped by defender Bill Bigmore being forced to go in goal. Coach Jim McCormick was soon to be sacked as the team continued to struggle...1964-65 - Swans made it two wins from two as they opened their Athenian League season, beating Leyton 3-2 away at the Hare & Hounds. Despite playing 12 minutes with 9 players, due to Dave Worby and Terry Keen arriving late, and going 2-0 down, Don Stoker's side fought back with a goal from Dave Tarran and two from Tony Foster...1966-67 - Swans were still pointless after four Athenian League Premier Division games as they lost 3-1 away to Slough Town at The Dolphin on Bank Holiday Monday. Nobby Wilkins, in for Brian Jenkins, got the goal for Stoker's side...1970-71 - Allen Batsford's Swans' 100% start to the new Athenian League Premier Division season ended in their 4th match against Dagenham at Victoria Road, as they lost 2-1. The home side took the lead in first-half stoppage-time, and then went 2-0 up before Chris Gedney replied with a fine goal...1981-82 - John Martin's Swans were left with just one point from their opening 5 Isthmian League Division One games as they lost 3-0 against Chesham United at The Meadow. The first and last of the home side's goals came from the penalty-spot...1983-84 - After two straight wins in the Isthmian League Division One, new player-manager Billy Salkeld's Swans made a disappointing early exit from the League Cup at Stompond Lane on Bank Holiday Monday, losing 1-0 to Division Two Grays Athletic...1987-88 - Having steered Swans clear of relegation, manager Larry Pritchard started his first full season in charge with three straight 1-1 draws in the Isthmian League Division One. The second was against Southwick at Stompond Lane, with Micky Barker getting the goal...1989-90 - Swans were left with just one win from their opening four Isthmian League Division One games as goalkeeper Trevor Roffey's debut was spoilt by a 4-1 defeat to Boreham Wood at Stompond Lane. Wayne Fallow's 90 second goal had got Steve Rogers' side off to a perfect start...1992-93 - After opening the season with two away draws in the Isthmian League Division One, Swans were soon in FA Cup Preliminary Round action, playing Sussex County League Champions Peacehaven & Telscombe

at Stompond Lane. The visitors were on a 19 match unbeaten run, but Chris Wainwright's Swans won 2-1, courtesy of an own goal and a superb strike from Ashley Styles...1998-99 - In the third game of their second season in the Isthmian League Premier Division, Laurie Craker's Swans picked up a deserved second point from a goalless draw at Meadow Park against Boreham Wood...2005-06 - Swans were desperately close to recording a deserved second win in a row on their return to the Isthmian League Premier Division when, in the last minute of normal-time against Windsor & Eton at Stag Meadow on Bank Holiday Monday, Adam Thompson deflected a cross into his own net to make the score 1-1. Alan Dowson's side had dominated almost throughout, with substitute Scott Edgar's header having put them ahead after 74 minutes...2009-10 - When substitute Danny Green scored in the 93rd minute of the FA Cup Preliminary Round tie at fellow Isthmian League Division One South side Fleet Town to make it 1-1, he not only secured a replay for Swans, but maintained new manager John Crumplin's unbeaten start to the season after five matches. The home side had taken the lead after 23 minutes. Swans won a pulsating replay at Stompond Lane on penalties...2011-12 - Chuck Martini's bad start to his first full season as Swans' manager continued as his side made it three defeats in four Isthmian League Division One South matches as they lost 1-0 at Merstham on Bank Holiday Monday. They had far the best of the chances, but conceded with just five minutes of normal-time remaining...2015-16 - Swans went out of the FA Cup at the first hurdle for the third consecutive season as defensive errors cost them dearly in a Preliminary Round tie against Worthing at Woodside Road. Their only other defeat of the new season had been by the Sussex club in the Isthmian League Division One South. Harry Mills' header and Shaquille McIntosh's fine strike twice kept Tony Reid's side in the tie, but they went out 4-2...2016-17 - Having been relegated to the Combined Counties League Premier Division, Swans made their first visit to Stag Meadow in 10 years to play Windsor on Bank Holiday Monday morning. They made it four League games unbeaten, keeping their third clean sheet in a 0-0 draw. Simon Haughney's side came away disappointed, as they had by far the better of the play...2022-23 - Promoted Swans made it three wins on the spin in the Isthmian League South-Central Division as they put on a fine performance against Leatherhead at Fetcham Grove on Bank Holiday Monday. Taurean Roberts' superb goal from the edge of the box after 63 minutes was added to by John Gilbert just before the end of normal-time to give Scott Harris's side a 2-0 win. A third promotion on the spin was to follow.
